THE PSALMIST, WITH SUPPLEMENT. Containing an additional Selection of more than one hundred HYMNS (in place of the "Chants and Selections for Chanting"). By RICHARD FULLER and J. B. JETTIS. Same sizes, styles of binding, and prices, as the other edition.

THE PSALMIST, WITH MUSIC; A MANUAL FOR THE SERVICE OF SACRED SONG, CONTAINING ALL THE HYMNS OF THE PSALMIST, with a copious and very CHOICE SELECTION OF TUNES, adapted to all the metres, on the same page with the hymn, for the convenience of CONGREGATIONAL SINGING, and also for CHOIR USE. Collated and edited by B. F. EDMANDES, Esq.

Royal 12mo, cloth, arabesque, 1.50; sheep, 1.50; Turkey morocco, gilt, 2.00. THE PSALMIST is unquestionably the best collection of Hymns for public worship in the English language. It was originally prepared with great care and expense. It was edited by brethren whose acknowledged poetical taste, doctrinal soundness and pastoral experience qualified them preeminently for the work.

Such has been its unparalleled popularity that it may now be said to have become the BOOK OF THE BAPTIST DENOMINATION, being almost universally used in the churches throughout the United States and also in the British Provinces. It contains nearly THIRTEEN HUNDRED HYMNS, about one-fourth of which are by Watts. Among the other prominent authors, will be found Doddridge, Steele, Montgomery, Cowper, Kelly, Newton, Wesley, Toplady, Heber, Barbauld, Bowring, Sigourney, Scott, Heman, etc. etc., numbering in all nearly two or hundred different authors. The whole field of English sacred literature has been explored, and the choicest appropriate productions culled, to form this admirable collection.

Pastors in Boston and vicinity, in New York and Philadelphia, Professors in the various Theological Seminaries, and a great number of Clergymen, of Churches, Associations and Conventions, in every State of the Union, have, unhesitatingly, given their most unqualified testimony to the high character of this work. Among the vast number of testimonials which might be given, — sufficient, in all, to form a good-sized volume, — is the following:—

REV. GEORGE B. IDE, D. D., says of the work, with characteristic energy of thought and beauty of expression, "Such another collection of hymns for public worship, so beautiful in its execution, so natural, clear, and perfect in its arrangement, so varied, copious, and appropriate in its list of subjects, so lyrical in its structure, so devotional in its spirit, so scriptural in its sentiments, so sweet, pure, and elevated in its poetry, I do not believe the world can furnish, and I am certain the English language cannot. It is a work, in every respect, of such surpassing excellence as to leave nothing in its department to be desired."

This strong, emphatic language of Dr. Ide has been fully approved and endorsed by Dr. Hlagus, Dr. Brantley, and other clergymen of note. Credited judges of other denominations have commended the Psalmist as having no superior, if any equal, in character and fitness for public worship.

THE PSALMIST, WITH MUSIC, involving a large outlay of time and money, was undertaken to meet the growing desire on the part of many churches to adopt CONGREGATIONAL SINGING. This Manual embraces ALL THE HYMNS OF THE PSALMIST, with one or more tunes adapted to each hymn. The tunes have been selected, with great care and true judgment, by B. F. EDMANDES, Esq., a gentleman of fine musical taste, a chorister for many years in one of our largest churches, and an active manager of several of our leading musical societies. They are chiefly taken from the approved standard tunes, whose long use and popularity in the churches attest their fitness for congregational singing.

Ayer's SARSAPARILLA.

THE WORLD'S GREAT REMEDY FOR Scrofula and Scrofulous Diseases. From Emery Edes, a well-known merchant of Oxford, Maine.

"I have sold large quantities of your SARSAPARILLA, but never yet one bottle which failed of the desired effect and full satisfaction to those who took it. As fast as our people try it, they agree there has been no medicine like it before in our community."

Eruptions, Pimples, Blisters, Pustules, Ulcers, Sores, and all Diseases of the Skin. From Rev. Robt. Stratton, Bristol, England.

"I only do my duty to you and the public, when I add my testimony to that you publish of the medicinal virtues of your SARSAPARILLA. My daughter, aged ten, had an afflicting humor in her ears, eyes, and hair for years, which we were unable to cure until we tried your SARSAPARILLA. She has been well for some months."

From Mrs. Jane E. Rice, a well-known and much-esteemed lady of Dennisville, Cape May Co., N. J. "My daughter has suffered for a year past with a scrofulous eruption, which was very troublesome. Nothing afforded any relief until we tried your SARSAPARILLA, which soon completely cured her."

From Charles P. Gage, Esq., of the widely-known Gage, Murray & Co., manufacturers of engraved papers in Nashua, N. H.

"I had for several years a very troublesome humor in my face, which grew constantly worse until it disfigured my features and became an intolerable affliction. I tried almost every thing a man could do both advice and medicine, but without any relief whatever, until I took your SARSAPARILLA. It immediately made my face worse, as you told me it might for a time; but in a few weeks the new skin began to form under the blotches, and continued until my face was as smooth as any body's, and I know without any symptoms of the disease that I know of. I enjoy perfect health, and without a doubt owe it to your SARSAPARILLA."

Erysipelas—General Debility—Purify the Blood.

From Dr. Robt. Smith, Houston St., New York. "DR. AYER'S Scrofulous Sores by the persevering use of your SARSAPARILLA, and I have just now cured an attack of Malignant Erysipelas with it. No alternative we possess equals the SARSAPARILLA you have supplied to the profession as well as to the people."

From J. R. Johnston, Esq., Wakenau, Ohio. "For twelve years, I had the yellow Erysipelas on my right arm, during which time I tried all the celebrated physicians worth of medicines. The ulcers dried so bad that the cords became visible, and the doctors decided that my arm must be amputated. I began taking your SARSAPARILLA. Took two bottles, and some of your PILLS. Together they have cured me. I am now as well and sound as any body. Being in a public place, my case is known to every body in this community, and excites the wonder of all."

From Hon. Henry Moore, M. P. of Newcastle, W., a leading member of the Canadian Parliament. "I have used your SARSAPARILLA in my family, for general debility, and for purifying the blood, with very beneficial results, and feel confident in commending it to the afflicted."

St. Anthony's Fire, Rore, Salt Rheum, Scald Head, Rore Eyes.

From Harvey Sichter, Esq., the able editor of the Tunkhannock Democrat, Pennsylvania. "Our only child, about three years of age, was attacked by pimples on his forehead. They rapidly spread until they formed a foul humor and violent sore, which covered his face, and actually blinded his eyes for some days. A skillful physician applied blisters of silver and other remedies, without any apparent effect. For fifteen days we guarded his hands, lest with them he should tear open the festering and corrupt wound which covered his whole face. Having tried every thing else we had any hope from, we began giving your SARSAPARILLA, and applying the Salve of the same name, as you direct. The sore began to heal when we had given the first bottle, and was well when we had finished the second. The child's eyelashes, which had come out, grew again, and he is now as healthy and fair as any other. The whole neighborhood predicted that the child must die."

Syphilis and Mercurial Disease. From Dr. Hiram Stout, of St. Louis, Missouri. "I had your SARSAPARILLA a more effectual remedy for the secondary symptoms of Syphilis and for syphilitic disease than any other we possess. The profession are indebted to you for some of the best medicines we have."

From A. J. French, M. D., an eminent physician of Lawrence, Mass., who is a prominent member of the Legislature of Massachusetts. "Dr. Ayer. My dear Sir: I have found your SARSAPARILLA an excellent remedy for Syphilis, both of the primary and secondary type, and effectual in some cases that were too obstinate to yield to other remedies. I do not know what we can employ with more certainty of success, where a powerful alternative is required."

Mr. Chas. S. Van Iken, of New Brunswick, N. J., had dreadful ulcers on his legs, caused by the abuse of mercury, or mercurial disease, which grew more and more aggravated for years, in spite of every remedy or treatment that could be applied, until the persevering use of AYER'S SARSAPARILLA relieved him. Few cases can be found more inveterate and distressing than this, and it took several dozen bottles to cure him.

Leucorrhoea, Whites, Female Weakness, are generally produced by internal Scrofulous Ulceration, and are very often cured by the alterative effect of this SARSAPARILLA. Some cases require, however, in aid of the SARSAPARILLA, the skillful application of local remedies.

From the well-known and widely-celebrated Dr. Jacob Morrill, of Cincinnati. "I have found your SARSAPARILLA an excellent alterative in diseases of females. Many cases of irregularity, Leucorrhoea, internal Ulceration, and local debility, arising from the scrofulous diathesis, have yielded to it, and there are few that do not, when its effect is properly aided by local treatment."

A lady, unwilling to allow the publication of her name, writes: "My daughter and myself have been cured of a very debilitating Leucorrhoea of long standing, by two bottles of your SARSAPARILLA."

Rheumatism, Gout, Liver Complaint, Dyspepsia, Heart Disease, Neuralgia, when caused by Scrofula in the system, are rapidly cured by this EXT. SARSAPARILLA.

AYER'S CATHARTIC PILLS

possess so many advantages over the other purgatives in the market, and their superior virtues are so universally known, that we need not do more than to assure the public their quality is maintained equal to the best it ever has been, and that they may be depended on to do all that they have ever done.
