NEW ADVERTISEMENTS.

#### [From the Richmend Whig.]

The Charleston Courier makes a timely suggestion in recommending the attention of our government to the naturalization and cultivation of Calisaya, for the health of our soldiers. This article has a peculiar effeet upon the liver, and guards the system against disease by exposure and irregular diet. It is said that the great success of the Plantation Bitters of Dr. Drake, which, previous to our unhappy difficulties was found in most Southern homes, was owing to the extract of Calisaya Bark which it contained as one of its principal ingredients -"In confirmation of this, we have heard one of our most distinguished physicians remark, that whenever he felt unwell from ordinary dietetic or atmospheric causes, he invariably relieved himself by Plantation Bitters. Now that these Bitters cannot be obtained, a substitute should be prepared .- We understand our government has opened negotiations with Dr. Drake, through a secret agent, but with what truth we do not know." . . We are exceedingly obliged to the Richmond Whig for its rememberance of "Auld Lang Syne," but we can assure "Our Government" that, the Plantation Bitters are not for sale by any "secret agents," North Brown, Esq., (formerly merchant in Clare), in the | or South. There is probably several other things that
