

half-past nine in the evening. They were at first limited to half an hour, but last evening about forty assembled and the meeting was continued until after eleven and was very interesting indeed.

ROUND HILL, ANNAPOLIS CO.—It affords us pleasure to place before our readers the following from the Rev. George Armstrong of Bridge-town, dated as above, April 9th:—

"We had a very interesting Ministerial Conference here on Tuesday, the 31st ult. Public services were held also with encouraging indications of a revival. The meetings are continued still. Yesterday afternoon we had one of the most powerful and promising meetings ever held in this place.

Bro. H. Achilles kindly consented to remain a few days after the Conference, and labour in the work of the Lord;—this he has done faithfully and affectionately. Our prayer is that the work may extend and deepen by the power of the Holy Spirit till sinners are converted to God and every dead and decaying professor throughout the land, repents and is recovered from the snares of the devil.

Your's in hope,
GEORGE ARMSTRONG.

Canada.

We have received a letter, says the N. Y. Examiner from Rev. George Wilson, Ingersoll, Canada West. He says: "We, too, in Canada, can speak to the praise of His grace of what He has done and is doing for us. The writer has been aiding Rev. Dr. Ryerson, the highly esteemed pastor of the Baptist church of Simcoe, in a series of meetings which have been greatly blessed to the church and community.

China.

A letter from a missionary in China, states that the number of converts among Protestant missions, eight years since, excepting the German, scarcely exceeded the number of missionaries. Now, their number approaches two thousand. I say nothing of the insurgents.—There is no hope from them. They are as swarms of locusts, devouring all before them.—They destroy the idols, it is true, and float them away in rivers of blood. They take no part in the execution of God's "plan of redemption" for China. It is possible that the people who survive, when they have passed over, may be willing to hear the gospel; this has not yet been tried.

LATEST MISSIONARY NEWS.—Sau Tay, a Sgau Karen Christian, an assistant teacher in Dr. Binney's theological school, was ordained at Kementine, Dec. 1st. From Prom, under date of Dec. 28th, Mr. Kincaid writes, "My field of labor was never more hopeful than now, not only among the Burmans, but also among the Karens and Khyens. In several villages within forty miles of Prom, new interests are rising." It is stated that when Mr. Scott and family reached Nowgong, Nov. 26th, a large number of the Mirkiis "came to welcome the new teachers. They are certainly an interesting people, and seem ready for the gospel." Messrs. Bronson and Scott, Dec. 10th, were on a missionary tour in the hills. Dec. 22nd, they, accompanied by a native preacher, undertook a tour to the Mikir hills, to consult on the general interests of education, to make known the gospel, and to find out a favorable place for a new missionary effort. In the Telooqoo mission, Mr. Douglass reports two baptisms. He says that he does not feel called upon to write an apology for the existence of the Telooqoo Mission—"the Holy Ghost is writing it out." From Ningpo, China, Mr. Knowlton writes, Nov. 15th:—"The rebels, in immense numbers, are now said to be approaching in the direction of Ningpo. There is a force, foreign and native, sufficient, however, to hold them in check and drive them back. At Ningpo and Chusan it is quiet, and the mission work is progressing as usual."—Ex.

A Fine Head of Hair.

REV. J. H. CORLELL, N. Y. City, says, in a letter: "I procured Mrs. S. A. Allen's World's Hair Restorer and Zylolalsamin for a relative. I am happy to say it prevented the falling off of the hair, and restored it, from being gray, to its natural glossy and beautiful black."

CANNING, Cornwallis, March 6th, 1863.

I had for years been troubled with a distressing pain in my back and limbs, which rendered me scarce able to go about. My limbs felt so cold, that I hardly could keep them warm. Failing to obtain a cure, I went to a distinguished doctor in Boston, where I obtained but little benefit, when I concluded that I must still endure that affliction. At length I tried Graham's Pain Eradicator, and was cured by four or five applications; and I have not felt any return of it since using this medicine—now more than a year ago, and I believe it to be the best family medicine in use.
