

The papers in Nova Scotia and New Brunswick are all down upon the famous Weeks Wynter, of blue-button marauding notoriety...

Civic - At the City Council on Monday last, letters were read from Dr. Forrester, asking to be heard by the Council on the subject of Education...

Mr. John L. Barry was re-elected City Assessor. The tender of James Tremain, Esq., of £4000 at 5 per cent, for the construction of sidewalks, was accepted.

The Sun and Recorder were decided upon to receive the advertising for the city.

GOLD ITEMS. - A letter from Wine Harbor, says, "the Carlton Crusher has not been at work for some time, and I scarcely think it will operate this winter..."

The following is from the Pictou Standard: - The Mechanic's Gold Mining Company, the stock of which is owned principally in New Glasgow, have taken 128 ounces of gold out of their claim at Isaac Harbor...

SHIP-BUILDING is being vigorously prosecuted in various parts of this province and New Brunswick.

At Hantsport, Ezra Churchill, Esq., has three vessels on the stocks - two large-sized barques, one a ship of 1400 tons.

VOLUNTEER FUNERAL. - The funeral of the late Mr. James L. Woodill, which took place yesterday afternoon, was attended by the members of the Chebucto Greys V. R. Co., of which corps he was a respected member...

THE GRAND JURY FOR 1863. - John Silver, Robt. W. Fraser, George Woodill, Thos. Abbott, Jeremiah Donovan, Thomas Doyle, William Grant, Roderick Fraser, Benj. W. Salter, Wm. J. Cooper, (N. W. Arm.) Peter McNab, Jur. (East. Passage.) Geo. Buist, John Deal, (Dutch Village.) John O'Connor, Jun. (Truro Road.) Jeremiah Donohoe, John Hogan, Thomas A. Bauer, John H. Starr, Chas. Drysdale, Edm'd. C. THE CHURCH OF SCOTLAND IN PICTOU COUNTY. - The Rev. Mr. McKay of Salt Springs, is now on his way to Scotland, as a deputy from the Presbytery of Pictou, in connection with the Church of Scotland. The mission with which Mr. McKay has been entrusted by that body, is to bring before the Colonial Committee, the subject of the existing spiritual destitution within the bounds of the Presbytery, with a view, also of urging missionaries to turn their steps in this direction.

His Worship the Mayor acknowledges the receipt of the following sums in aid of the distressed operatives in England, viz: from the Presbyterian Congregation at Sherbrooke, St. Mary's \$74.00; from a friend in Sherbrooke, a thank offering, \$20.00; from Indian Harbor, per Robert Kennedy, Esq., \$16.00. His Worship also acknowledges the receipt of a check for \$50, from Jesse Hoyt, Esq., it being sent the latter by Misses Grassie and Luciman of Annapolis, to be devoted in aid of the Distressed British Operatives' Fund. This amount was the proceeds of a bazaar held on New Year's Day, by the ladies of the above mentioned town, for the purpose stated.

Prince Edward Island.

SOLD. - The fast little steamer Heather Belle, has within a few days been sold by James Duncan & Co., to parties at Halifax, for the sum of £3000 sterling. We learn that a handsome profit over her original cost, was realized by her former owners. It is asserted that she is to be sent to Bermuda, and that she is to be employed in running the blockade of the Southern coast.

The Heather Belle is a very fast boat, and as she draws but little water she will be able to run where any of the blockading squadron cannot follow. At the moment this is being placed in type a large number of men are engaged in cutting the steamer out through the ice to the "three sides," from whence she will steam to Halifax unimpeded by ice. It is more than probable that before this reaches our readers, she will be on the way to her destination. - Charlottetown paper.

New Brunswick.

Benjamin Beveridge, Esq., has been elected representative for Victoria Co., N. B. The seat was rendered vacant by the death of D. B. Raymond, Esq., the late member. There were three candidates in the field, but the contest was between Mr. Beveridge and M. Le Vasour a Frenchman. The majority of the candidate elect was 115. It is understood that Mr. Beveridge will support the present Administration.

The Young Thieves of St. John - What to do with them, - is the title of a lecture delivered last week in our sister city.

The Railway receipts for the month of December were \$10,653.91; in the corresponding month of 1861 they amounted to \$8,353.26.

The Fishery Lots in St. John Harbor were sold by auction on the 7th. Those on the East side realized \$1,589.71; and those on the West, \$2,192.55; total, \$3,782.26.

Fattening Stock.

Farmers will find it a saving to them of many dollars by using these Powders. In feeding one hundred bushels of grain, a man can save at least fifty cents by using these powders. Use them and you will find it so.

The many DISEASES of HORSES can almost all be PREVENTED or CURED by these Powders.

ONE POWDER drives out WORMS. ONE POWDER cures COLIC. ONE POWDER puts a Horse in condition. ONE POWDER makes a Horse shed his coat. ONE POWDER gives a soft and glossy appearance to the hair. ONE POWDER cures the Horn distemper in Cattle.

THE CARLTON'S CONDITION POWDERS, given according to directions, are the best thing in the world to STRENGTHEN a horse, and to re-erect him to health and vigor after severe exposure or hard driving.

These Powders cause a healthy action of the digestive organs and purify the food of animals, thereby equalizing the circulation of the blood, and imparting vigor to the whole frame. This soon demonstrates itself by an improvement in the appearance of the coat, for it is a certain fact that no animal can be in perfect health if the coat be rough and unthrifty.
