THE peculiar taint or

infection which we call SCROFULA lurks

in the constitutions of

multitudes of men. It

either produces or is

produced by an en-

feebled, vitiated state

of the blood, wherein

that fluid becomes in-

rayl competent to sustain

- fall into disorder and

the vital forces in their

vigorous action, and leaves the system to

decay. The scrofulous contamination is va-

riously caused by mercurial disease, low

living, disordered digestion from unhealthy

food, impure air, filth and filthy habits,

the depressing vices, and, above all, by

the venereal infection. Whatever be its

origin, it is hereditary in the constitution,

descending "from parents to children unto

the third and fourth generation;" indeed, it

seems to be the rod of Him who says, "I will

visit the iniquities of the fathers upon their

children." The diseases it originates take

various names, according to the organs it

attacks. In the lungs, Scrofula produces

tubercles, and finally Consumption; in the

glands, swellings which suppurate and be-

come ulcerous sores; in the stomach and

bowels, derangements which produce indi-

gestion, dyspepsia, and liver complaints; on the skin, eruptive and cutaneous affections.

These, all having the same origin, require tho

same remedy, viz., purification and invigora-

tion of the blood. Purify the blood, and

these dangerous distempers leave you. With

feeble, foul, or corrupted blood, you cannot

have health; with that "life of the flesh"

healthy, you cannot have scrofulous disease.

Ayer's Sarsaparilla

is compounded from the most effectual anti-

detes that medical science has discovered for

this afflicting distemper, and for the cure of

the disorders it entails. That it is far supe-

rior to any other remedy yet devised, is

known by all who have given it a trial. That

it does combine virtues truly extraordinary

in their effect upon this class of complaints,

is indisputably proven by the great multitude

of publicly known and remarkable cures it

has made of the following diseases: King's

Evil, or Glandular Swellings, Tumors,

Eruptions, Pimples, Blotches and Sores,

Erysipelas, Rose or St. Anthony's Fire,

Salt Rheum, Scald Head, Coughs from

tuberculous deposits in the lungs, White

Swellings, Debility, Dropsy, Neuralgia,

Dyspepsia or Indigestion, Syphilis and

Syphilitic Infections, Mercurial Diseases,

Female Weaknesses, and, indeed, the whole

series of complaints that arise from impurity

cases may be found in AYER'S AMERICAN

ALMANAC, which is furnished to the druggists

for gratuitous distribution, wherein may be

learned the directions for its use, and some

of the remarkable cures which it has made

when all other remedies had failed to afford

relief. Those cases are purposely taken

from all sections of the country, in order

that every reader may have access to some

one who can speak to him of its benefits from

personal experience. Scrofula depresses the

vital energies, and thus leaves its victims far

more subject to disease and its fatal results

than are healthy constitutions. Hence it

tends to shorten, and does greatly shorten,

the average duration of human life. The

vast importance of these considerations has

led us to spend years in perfecting a remedy

which is adequate to its cure. This we now

offer to the public under the name of AYER's

SARSAPARILLA, although it is composed of

ingredients, some of which exceed the best

of Sarsaparilla in alterative power. By its

ald you may protect yourself from the suffer-

ing and danger of these disorders. Purge out the foul corruptions that rot and fester

in the blood, purge out the causes of disease,

and vigorous health will follow. By its pecu-

liar virtues this remedy stimulates the vital

functions, and thus expels the distempers

which lurk within the system or burst out

by many compounds of Sarsaparilla, that

promised much and did nothing; but they

will neither be deceived nor disappointed in

this. Its virtues have been proven by abun-

dant trial, and there remains no question of

its surpassing excellence for the cure of the

afflicting diseases it is intended to reach.

Although under the same name, it is a very

different medicine from any other which has been before the people, and is far more ef-

feetual than any other which has ever been

JUDSON'S MOUNTAIN HERB PILLS, The Manochan or Great Medicine.

These Pills have now been thoroughly tested and have maintained the highest character everywhere, they have the wonderful power of restoring to health persons suffering under all diseases arising from

Impure Blood.

and as the Blood is the life when pure, so it is when corrupt the source of nine-tenths of the diseases which afflict mankind.

The following are among the distressing variety of diseases in which these Pills are invaluable. BILIOUS FEVERS AND LIVER COMPLAINTS,-

General Debility, Loss of Appetite and Diseases of females,-the Medicine has been used with the most beneficial results in cases of this description:--Kings Evil and Scrofula, in its wo st forms yields to the mild yet powerful action of this most remarkable Medicine. Night Sweats. Nervous Debility. Nervous Complaints, of all kinds; Palpitation of the Heart, Painters Colic; are speedily cured. DYSPEPSIA, by thoroughly cleansing the first and

second stomachs, and creating a flow of pure, healthy bile, instead of the stale and acrid kind; FLATUL-ENCY, Loss of Appetite, Heartburn, Headache, Rest. tensness, Ill. Temper, Anxiety, Langour and Melancholy which are the general symptoms of Dyspepsia, will vanish, as a notural consequence of its cure. COSTIVENESS, by cleansing the whole length of

the intestines with a selvent process, and without violence: all violent purges leave the bowels costive within two days.

FEVERS, of all kinds, by restoring the blood to a regular circulation, through the process of respiration in such cases, and the thorough solution of all intestinal obstruction in others.

SCURVY, ULCERS, and INVETERATE SORES, by the perfect purity which this Medicine gives to the blood and all the humors. * SCOR BUTIC ERUPTIONS and bad complexions, by

their alterative effect upon the fluids that feed the skin, and the morbid state of which occasions all eruptive complaints, sallow, cloudy and other disagreeable complexions.

The use of these Pills for a very short time, will effeet an entire cure of SALT RHEUM, and a striking improvement in the clearness of the skin. COMMON COLDS and INFLUENZA will always be cured by one dose, or by two in the worst cases.

MERCURIAL DISEASES-Persons whose constitutions have become impared by the injudicious use of Mercury, will find this medicine a perfect cure, as they never fail to eradicate from the system, all the effects of Mercury, infinitely sooner than the most powerful preparations of Sarsaparilla.

The Plants and Herbs of which these Pills are made, were discovered in a very surprising way among the Tezucans, a tribe of Aborgines in Mexico. Get the Almanac of our Agent, and you will read with delight, the very interesting account it contains of the GREAT MEDICINE" of the Agrees.
