THE PSALMIST, WITH MUSIC; A MANUAL FOR THE SERVICE OF SACRED SONG, containing ALL THE HYMNS OF THE PSALMIST, with a copious and very CHOICE SELECTION OF TUNES, adapted to all'the metres, on the same page with the hymn, for the convenience of CONGREGATIONAL SINGING, and also for Choir Use. Collated and edited by B. F. EDMANDS, Esq.

THE PSALMIST is unquestionably the best collection of Hymns for public worship in the English language. It was originally prepared with great care and expense. It was edited by brethrenwhose acknowledged poetical taste, doctrinal soundness and pastoral experience qualified them preeminently for the work. The hymns were also submitted for critical examination and revision to a large Committee, composed of pastors and literary men of distinction in every section of the Union, to whose judicious labors the work owes much of its remarkable perfection. It has been welcomed by pastors and churches everywhere as the best book for public worship ever published.

Such has been its unparalleled popularity that it may now be said to have become THE BOOK OF THE BAPTIST DENOMINATION. being almost universally used in the churches throughout the United States and also in the British Provinces. It contains nearly THIRTEEN HUNDRED HYMNS, about one-fourth of which are by Watts. Among the other prominent authors, will be found Doddridge, Steele, Montgomery, Cowper, Kelly, Newton, Wesley, Toplady, Heber, Barbauld, Bowring, Sigourney, Scott, Hemaus, etc. ete, numbering in all nearly three hundred different authors? The whole field of English sacred literature has been explored, and the choicest appropriate productions culted, to form this admirable col-

Pastors in Boston and vicinity, in New York and Philadelphia, Professors in the various Theological Seminaries, and a great numbegof Clergymen, of Churches, Associations and Conventions, in every State of the Union, have, unsolicited, given their most unqualified testimony to the high character of this work. Among the vast number of testimonials which might be given, - sufficient, in all, to form a good-sized volume, - is the following: -

REV. GEORGE B. IDE, D. D., says of the work, with characteristic energy of thought and beauty of expression, "Such another collection of hymns for public worship, so beautiful in its execution, so natural, clear, and perfect in its arrangement, so varied, copious, and appropriate in its list of subjects, so lyrical in its structure, so devotional in its spirit, so scriptural in its sentiments, so sweet, pure, and elevated in its poetry, I do not believe the world can furnish, and I am certain the English language cannot! It is a work, in every respect, of such surpassing excellence as to leave nothing In its department to be desired."

This strong, emphatic language of Dr. Ide has been fully approved and endorsed by Dr. Hague, Dr. Brantley, and other eler-

Candid judges of other denominations have commended the Pasimist as having no superior, if any equal, in character and fitness for public worship.

THE PSALMIST, WITH MUSIC, involving a large outlay of time and money, was undertaken to meet the growing desire on the part of many churches to adopt CONGREGATIONAL SINGING.

This Manual embraces ALL THE HTMES OF THE PEALMIST, with one or more tunes adapted to each hyms. The tunes have been selected, with great care and rare judgment, by B. P. En-MANDS, Esq., a gentleman of fine musical taste, a chorister for many years in one of our largest churches, and on active manager of several of our leading musical societies. They are chiefly taken from the approved standard tunes, whose long use and popularity in the churches attest their fitness for congregational .inging. The convenient size of the Manual, its cheapness, its judicious arrangement, as well as its ADMIRABLE SELECTION OF TUNES, give it important advantages over every other Manual for public worship. Churches already using the Paulmist-which is almost universal -can introduce this new edition, wirm Music, at very trifling expense. No change of books will be required for those who do not join in the singing. The numbering of hymns is the same in all editions, and the full and perfect INDEXES enable minister or people to refer from one edition to the other without difficulty. Only those who wish to sing, and to have the tunes before them, will need the new edition with Music, and the great expense laci-

dent to an entire change of hymn-books will thus be avoided. handsome electrotype plates, on good paper, and bound in a great variety of styles, in the most substantial manner. And although, in consequence of the unparalleled advance in paper and all other Book materials, the price has of necessity been somewhat advanced & is still the cheapest work of the kind published.
