Graham's Pain Eradicator.

To DR. THOMAS GRAHAM, Canning, Cornwallis, Proprietor of Graham's Pain Eradicator.

Sir,—I have been severely afflicted for upwards of twenty years with an affection of the Liver, which destroyed my health and baffled the skill of the Physicians, and still cling to me in spite of all the remedies I could find; sometimes rendering my life hopeless and causing my friends to look upon me without hope of ever seeing my disease removed unless by death. I was at last informed by the Rev. Abraham Stronach of the wonderful cures which were being made by your Pain Eradicator and advised by him to try the effects of a bottle upon my disease. I did so, and it surpassed all expectation, and I should be ungrateful for the relief your skill has brought me if I did not report my case to you. The first bottle I procured raised me from my death-bed, and in less than a fortnight from the time I obtained it I was enabled to walk to the house of God without the assistance of a cane. Since I first procured your medicine I have taken three bottles and its effects are truly astonishing. By the blessing of God it has cured me and so operated on my constitution as to make a new man of me. I feel young again. The best I can say of your Medicine is not half good enough.

Yours, CALVIN BARKER, Deacon of the Baptist Church, Lower Aylesford.

Although we have no sympathy with patent medicine vendors generally, we are not so blind to real merit as to place all patent medicines in the same category; and when we have tested the qualities of a compound and found them to be such as are claimed for it, we think it nothing but right to give our testimony for the benefit of the patentee or proprietors, especially as there are thousands who, having been deceived by empirics, have lost all faith in remedies of this kind. The Pain Killer of Perry Davis & Son we can confidently recommend.—We have used it for a length of time, and invariably with success.
