SHARP'S BALSM OF HOARHOUND AND ANISEED.

IS the best, the safest, and cheapest remedy ever offered to the public. Those suffering from Throat complaints, Coughs, Colds, Asthma, Shortness of Breath, or Whooping Cough, will find it a sure and speedy relief.

Prepared by JOHN G. SHARP, Member of the Pharmaceutical Society of Great Britain.

St. JOHN, N. B., Dec. 12th, 1861.

For nearly ten years we have sold Sharp's Balsam of Hoarhound and Aniseed, prepared by Dr. J. G. Sharp of this city—and during that time we have not known any other Patent Medicine for Coughs and Colds that has given such universal satisfaction to all who have used it.

It has become in this city, a standing Family Medicine, although it has been little advertised the sale has steadily increased, and in one year we sold over 1500 Bottles, although same time it was kept and sold in eight or ten other Drug Stores here.

St. JOHN, N. B., Dec. 12, 1861.

Dear Sir.—Having been engaged in the sale of your Balsam of Hoarhound and Aniseed for the past ten years I can testify in favor of its good qualities, it certainly gives the best satisfaction of anything of the kind that I have ever sold.

J. G. Sharp, Esq.,

Dear Sir.—I have noticed the increasing popularity of your "Balsam of Hoarhound and Aniseed," for the last eight years and have much pleasure in stating that I believe it to be one of the best Medicines of the kind now in use.

DON'T LET YOUR CHILDREN SUFFER WITH WORMS!

BUT USE WOODILL'S WORM LOZENGES.

51,516 Boxes sold in 1863.

THEY are perfectly safe. They act immediately without physic. They are palatable, and are eagerly taken by children, thereby possessing every advantage over the vermifuges now in use, which are so nauseous and troublesome to administer to children.

They are made with great care from the purest Medicines, and are especially recommended for their safe and speedy action, freedom from all mercurial agents, which often prove injurious to children. They are prepared without regard to economy, and contain the purest and best vegetable Medicines known.

WORMS IN CHILDREN.

are the following: A pale, and occasionally flushed, countenance; dull, heavy eyes; irritated, swollen, and often bleeding nose; headache, slimy and furred tongue; foul breath; variable, and sometimes almost voracious, appetite; vomiting costiveness, uneasy and disturbed sleep; and many more; but whenever the above are noticed in children, the cause invariably is WORMS, and the remedy—WOODILL'S WORM LOZENGES. A cure is certain in every case, when a faithful trial is given.

The following medical authority is worthy of attention: "Having examined the prescription from which Woodill's Worm Lozenges are prepared, I can state that they contain the most wholesome ingredients. I can also certify that they are efficacious, having used them in my practice."
