DON'T LET YOUR CHILDREN SUFFER WITH WORMS! BUT USE WOODILL'S WORM LOZENGES. 51,516 Boxes sold in 1863.

THEY are perfectly safe. They act immediately without physic. They are palatable, and are eagerly taken by children, thereby possessing every advantage over the vermifuges now in use, which are so nauseous and troublesome to administer to children. They are warranted to contain nothing that would injure in the slightest degree the youngest or most delicate infant; so simple is their composition that they may be used as a simple purgative instead of Castor Oil or Powders, &c. They are made with great care from the purest Medicines, and are especially recommended for their safe and speedy action, freedom from all mercurial agents, which often prove injurious to children. They are prepared without regard to economy, and contain the purest and best vegetable Medicines known. It is a fact that worms cause nearly all the ills that children are subject to, and the symptoms are too often mistaken for those of other complaints,—but, with very little attention, the mother cannot mistake. Amongst the many symptoms of WORMS IN CHILDREN, are the following: A pale, and occasionally flushed, countenance; dull, heavy eyes; irritated, swollen, and often bleeding nose; headache, slimy and furred tongue; foul breath; variable, and sometimes almost voracious, appetite; vomiting, costiveness, uneasy and disturbed sleep, and many more; but whenever the above are noticed in children, the cause invariably is WORMS, and the remedy—WOODILL'S WORM LOZENGES. A cure is certain in every case, when a faithful trial is given. The following medical authority is worthy of attention: "Having examined the prescription from which Woodill's Worm Lozenges are prepared, I can state that they contain the most wholesome ingredients. I can also certify that they are efficacious, having used them in my practice." (Signed) HENRY B. FORMAN, M. D., Surgeon. HALIFAX, February 9, 1860. DARTMOUTH, October 28th, 1861. "I hereby certify that I have made use of Woodill's Worm Lozenges in my treatment of worm cases with much satisfaction to myself and patients; and having examined the prescription from which they are made, I am enabled to testify that they are perfectly safe and efficacious, and hereby cheerfully recommend them to the public." T. B. DESBRISAY, M. D. Hundreds of certificates of their efficacy have been received. Ask for WOODILL'S WORM LOZENGES, to be had at the City Drug Store, Halifax, and from dealers in Medicine generally throughout the Province. A. H. WOODILL, Successor to JAS. J. WOODILL, 131 Hollis Street.

MASON & HAMLIN'S CABINET ORGANS, FOR Families, Churches, and Schools, ADAPTED TO SACRED AND SECULAR, CHURCH AND HOME MUSIC.

They are elegant as pieces of furniture, occupy little space, are not liable to get out of order, and every one is warranted for five years. The CABINET ORGANS, introduced about a year since, and manufactured exclusively by MASON & HAMLIN, have met with success unprecedented in the history of musical instruments. Supplying a long-felt want, they have been received with the greatest favor by the musical profession and the public, have already been very widely introduced, and the demand for them is still rapidly increasing, and must continue to increase as their merits become known. They are to private houses, Sunday-schools, and smaller churches all that the larger pipe organs are to large churches. In addition to this, they are admirably adapted to the performance of Secular as well as Sacred Music. The CABINET ORGAN is essentially different from and a very great improvement upon all instruments of the Melodion or Harmonium kind. Its superior excellence consists in many important characteristics, among which are: 1. The more organ-like character of its tone. 2. It has greatly more power and volume of tone in proportion to its cost. 3. By the employment of a very simple and beautiful invention, its capacity for expression is made vastly greater than has ever before been attained in such instruments. This invention is especially valuable, because scarcely any practice is necessary to render it available. Any ordinary performer can master it in an hour or two. 4. It admits of great rapidity of execution, adapting it to the performance of a greater variety of lively secular music. 5. No instrument is less liable to get out of order. 6. It will remain in tune ten times as long as a Piano-forte. It may be reasonably said that if these instruments have the great and obvious superiority just stated for them, they must have received very warm recommendations from professional musicians, who would naturally be most interested in the introduction of such instruments, and who are the best judges of their excellence. Such recommendations have already been given to them to an extent unparalleled. Among those who have proffered written testimony to their admirable qualities and great desirability, and that they regard them as unequalled by any other instruments of their class, are such well-known musicians as Lowell Mason, Thomas Hastings, William B. Bradbury, George F. Root, etc.; the most distinguished Organists in the country, as Cutler, of Trinity Church, N. Y.; Morgan, of Grace Church; Zundel, of Mr. Beecher's Church; Brass, Weil, Wilcox, Tuckerman, Ferrahn, etc.; such celebrated Pianists as Gottschalk, Wm. Mason, Mills, Sanderson, Strakosch, etc. In brief, more than two hundred musicians, including a large portion of the most eminent in the country, have testified to this effect. Each CABINET ORGAN is securely boxed, so that it can be sent safely to any distance. ILLUSTRATED CATALOGUES, with full particulars, free to any address. Persons residing at a distance can order by mail with entire confidence of receiving as perfect an instrument as though selected in person at our Ware-rooms.—No deduction from the prices, which are in variable.—Terms, Cash. Address MASON & HAMLIN, 274 Washington St., Boston, Mass., U. S. A. April 20.

(Copy.) Mrs. W. JACKSON.— Please accept the following testimonials, which, if desirable, you can use for the public good:— I have used, also made more than a score of applications of your Gold Lintment, in cases of inflammation arising from colds, following cuts and bruises, etc., and in every stage of inflammation, even where previous days and nights have been spent in restlessness and pain, defying ordinary applications,—in every such case where I have used your Lintment, liberally applied, saturating the under wrapping, the effect in removing the pain and inflammation has been astonishing. Whoever will try this remedy will prove that inflammation cannot live when brought in contact with it. Respectfully yours, JAS. RAYMOND, J. P., Bear River, Clare.
