Music.

NOW IS THE TIME TO PURCHASE A CABINET ORGAN OR MELODEON.

Halifax Agency for Mason & Hamlin's Cabinet Organs and Melodeons.

Being desirous of introducing the valuable instruments manufactured by Mason & Hamlin into this Province, I have secured an Agency whereby I am enabled to obtain them for those who wish to possess one of these delightful aids to a cultivation of Music, at rates more favorable than if purchased in Boston.

The following list of prices, in Halifax currency, duty paid, will show the advantages above referred to:

Table listing Cabinet Organs and Melodeons with prices. Includes items like 'No. 15. Four Octave, single Reed, in Walnut or Oak Case, \$110'.

Cases of extra finish made to order. MELODEONS. No. 4. Six Octave, Piano style, Rosewood Case, \$170. No. 5. Five Octave, do., do., \$150. No. 6. Do. Portable, Rosewood case, \$110. No. 7. Do. Portable, Walnut case, \$95. No. 8. Four-and-a-half Octave, Portable, Rosewood case, \$85. No. 9. Four Octave, do., \$75.

MASON & HAMLIN'S CABINET ORGANS, FOR Families, Churches, and Schools, ADAPTED TO SACRED AND SECULAR, CHURCH AND HOME MUSIC.

They are elegant as pieces of furniture, occupy little space, are not liable to get out of order, and every one is warranted for five years. The CABINET ORGANS, introduced about a year since, and manufactured exclusively by MASON & HAMLIN, have met with success unprecedented in the history of musical instruments.

The CABINET ORGAN is essentially different from and a very great improvement upon all instruments of the Melodeon or Harmonium kind. Its superior excellence consists in many important characteristics, among which are: 1. The more organ-like character of its tone. 2. It has greatly more power and volume of tone in proportion to its cost.

It may be reasonably said that if these instruments have the great and obvious superiority thus claimed for them, they must have received very warm recommendations from professional musicians, who would naturally be most interested in the introduction of such instruments, and who are the best judges of their excellence. Such recommendations have already been given to them to an extent unparalleled.

ILLUSTRATED CATALOGUES, with full particulars, free to any address. Persons residing at a distance can order by mail with entire confidence of receiving as perfect an instrument as though selected in person at our Ware rooms. No deduction from the prices, which are in variable—Terms, Cash. Address MASON & HAMLIN, 274 Washington St., Boston, Mass., U. S. A. April 26.

DON'T LET YOUR CHILDREN SUFFER WITH WORMS! BUT USE WOODILL'S WORM LOZENGES.

They are perfectly safe. They act immediately without physic. They are palatable, and are eagerly taken by children, thereby possessing every advantage over the vermifuges now in use, which are so nauseous and troublesome to administer to children. They are warranted to contain nothing that would injure in the slightest degree the youngest or most delicate infant; so simple is their composition that they may be used as a simple purgative instead of Castor Oil or Powders, &c.
