NEW ADVERTISEMENTS.

A ROGUE AT LARGE!

A YOUNG MAN seemingly about twenty years of age, of light complexion, wearing a light fur cap, black coat, checked pants, and a grey shawl, came to now Albany on Tuesday, the 9th inst., and traded a horse with Alfred Whitman. He gave him a note, against Walter Armstrong for fifteen pounds, as lost, which has since proved a forgery. He said at the same time his name was John Monroe, that he was lately married and lived in Clarence. He is gone now horse and all, nobody knows where. The horse is five years old, dark iron-grey, and a little lame in the right fore-leg, the lameness is in the fet-lock joint. A reward of five pounds is offered to any person who will inform the writer where the horse is. The horse is well known in Queen's County, having been owned by David McPherson and others. Feb. 17th. ALFRED WHITMAN.

DON'T LET YOUR CHILDREN SUFFER WITH WORMS!

WOODILL'S WORM LOZENGES.

51,516 Boxes sold in 1863.

THEY are perfectly safe. They act immediately without physic. They are palatable, and are eagerly taken by children, thereby possessing every advantage over the vermifuges now in use, which are so nauseous and troublesome to administer to children. They are warranted to contain nothing that would injure in the slightest degree the youngest or most delicate infant; so simple is their composition that they may be used as a simple purgative instead of Castor Oil or Powders, &c.

They are made with great care from the purest Medicines, and are especially recommended for their safe and speedy action, freedom from all mercurial agents, which often prove injurious to children. They are prepared without regard to economy, and contain the purest and best vegetable Medicines known. It is a fact that worms cause nearly all the ill that children are subject to, and the symptoms are too often mistaken for those of other complaints,—but, with very little attention, the mother cannot mistake. Amongst the many symptoms of

WORMS IN CHILDREN.

are the following: A pale, and occasionally flushed, countenance; dull, heavy eyes; irritated, swollen, and often bleeding nose; headache, slimy and furred tongue; foul breath; variable, and sometimes almost voracious, appetite; vomiting, costiveness, uneasy and disturbed sleep, and many more; but whenever the above are noticed in children, the cause invariably is WORMS, and the remedy—WOODILL'S WORM LOZENGES. A cure is certain in every case, when a faithful trial is given.

The following medical authority is worthy of attention: "Having examined the prescription from which Woodill's Worm Lozenges are prepared, I can state that they contain the most wholesome ingredients. I can also certify that they are efficacious, having used them in my practice. (Signed) HENRY B. FORMAN, M. D., Halifax, February 9, 1860. Surgeon."

DANFORTH, October 28th, 1861.

"I hereby certify that I have made use of Woodill's Worm Lozenges in my treatment of worm cases with much satisfaction to myself and patients; and having examined the prescription from which they are made. I am enabled to testify that they are perfectly safe and efficacious, and hereby cheerfully recommend them to the public. T. B. DESBRISAY, M. D.

Hundreds of certificates of their efficacy have been received. Ask for WOODILL'S WORM LOZENGES, to be had at the City Drug Store, Halifax, and from dealers in Medicines generally throughout the Province. A. H. WOODILL, Successor to JAS. L. WOODILL, 131 Hollis Street.
