## A Distressing Cough Cured.

DEAR SIR—A few weeks since I had a distressing cough; my throat was very sore and inflamed, and I procured a bottle of Perry Davis' Pain Killer of you, and it has entirely cured me. I have also seen it used in cases of toothache and ague in the face, with the most beneficial effects. I believe it to be an indispensable medicine, and shall recommend it to my acquaintance. C. W. BANKS, La Paro, Ind.

This may certify, that my wife was for some time very much afflicted with a violent cough, which reduced her so much that she was unable to enjoy a moment's rest, day or night, and by the use of one bottle of Perry Davis' Pain Killer, she was entirely relieved, and now enjoys good health.—I consider it one of the best family medicines in use.
