Mrs. W. JACKSON,—

Please accept the following testimonials, which, if desirable, you can use for the public good:—

I have used, also made more than a score of applications of your Gold Lintment, in cases of inflammation arising from colds, following cuts and bruises, etc., and in every stage of inflammation, even where previous days and nights have been spent in restlessness and pain, defying ordinary applications,—in every such case where I have used your Lintment, liberally applied, saturating the under wrapping, the effect in removing the pain and inflammation has been astonishing. Whoever will try this remedy will prove that inflammation cannot live when brought in contact with it.

Respectfully yours,

(Signed) JAS. RAYMOND, J. P., Bear River, Clare.

Graham's Pain Eradicator.

Wakefield, Carleton County Jan. 1864.

For more than ten years I have been afflicted with Indigestion and Loss of Appetite, and for over four years I was troubled with Pain in the Chest and Side, and have long been afflicted with Headache which for more than a year was accompanied with a Dizziness in my Head and a buzzing sound in my Ears, producing a partial deafness until last Fall that I became under the treatment of Dr. Graham, of Cornwallis, and by his directions used his Pain Eradicator, Ecclectic Balm and Antibilious Pills, which has cured me in a short time of those complaints and also of the Piles that had long afflicted me, and I think it my duty to make it known that others so afflicted may know where a remedy may be found. Mrs. WILLIAM HAMILTON.

Important to Shipmasters and Crews.

Some twenty years since, I was very seriously injured in one of my hips, by coming in contact with the anchor of the ship of which I was second mate. The bruise was so bad that my hip has given me great trouble most of the time since, until a year ago last April, when I heard of Davis' Pain Killer, and immediately procured a bottle, and by using it according to the directions, was entirely cured in about ten days, and have not experienced the least trouble from my complaint since.

Feeling the importance of having this valuable medicine constantly by me, before starting for Europe in March last, in the ship Louvre, from New York, I purchased two large bottles to take with me. While at Antwerp, one of my crew was attacked with a very severe dysentery; I gave him the Pain Killer, and it cured him in a hurry.

On my passage home, with one hundred and sixty-four passengers, I administered this valuable remedy to all who were sick, and none took it without getting relief. One lady passenger in particular was troubled with a bad headache, for which she said there was no cure; having been troubled with it most of the time for years. I told her I had a sure remedy, and gave her the Pain Killer, which, to her surprise, did effect the cure she had long sought in vain for. I had as good a medicine chest as ever was put on board a ship, but did not open it, there being no necessity for it—the Pain Killer answering all purposes. And I do most sincerely recommend to every ship-master always to take a good supply of this valuable medicine with him on going to sea, as it is so valuable and convenient to use in case of wounds or bruises, which are liable to, and frequently do happen to crews on shipboard.

CHRISTOPHER ALLYN,

Late Master of the Ship Louvre.
