A Distressing Cough Cured.

DEAR SIR—A few weeks since I had a distressing cough; my throat was very sore and inflamed, and I procured a bottle of Perry Davis' Pain Killer of you, and it has entirely cured me. I have also seen it used in cases of toothache and ague in the face, with the most beneficial effects. I believe it to be an indispensable medicine, and shall recommend it to my acquaintances. C. W. BANKS, LA POINTE, Ind.
This may certify, that my wife was for some time very much afflicted with a violent cough, which reduced her so much that she was unable to enjoy a moment's rest, day or night, and by the use of one bottle of Perry Davis' Pain Killer, she was entirely relieved, and now enjoys a good health.—I consider it one of the best family medicines in use.

Graham's Pain Expectorator.

Wakefield, Carleton County Jan. 1864.
For more than ten years I have been afflicted with Indigestion and Loss of Appetite, and for over four years I was troubled with Pain in the Chest and Side, and have long been afflicted with Headache which for more than a year was accompanied with a Dizziness in my Head and a buzzing sound in my Ears, producing a partial deafness until last Fall that I became under the treatment of Dr. Graham, of Cornwallis, and by his directions used his Pain Expectorator, Electric Balm and Antibilious Pills, which has cured me in a short time of those complaints and also of the Piles that had long afflicted me, and I think it my duty to make it known that others so afflicted may know where a remedy may be found.
