

NEW BRUNSWICK.—The following items from the Christian Visitor indicate favorable prospects in some of the churches in New Brunswick.

We are rejoiced to learn that our Baptist friends of Hopewell have commenced the erection of a new Chapel at Hopewell Hill. This is a work of necessity as well as of mercy. Success to the undertaking.

Rev. B. N. Hughes informs us that religious indications at St. George are exceedingly hopeful. A full Conference last Saturday, three baptized on the Sabbath, and a number of others seeking the Lord. May a rich blessing descend.

Rev. E. Hickson writes:—"The last Lord's day was one of some interest to the little church at Newcastle. It was our first communion season since the church was revived. And the baptism of a faithful sister heightened our enjoyment on that delightful day.

PORTLAND, N. B.—Rev. E. C. Cady gives the Visitor the following brief statement concerning his labors:—

The good work in this place is going forward encouragingly. I have baptized eighteen in all; others are hoping and others still inquiring, while very many are listening to the truth, and considering the matter.

REVIVAL AT WICKHAM, N. B.—We greatly rejoice to learn by a note just received from Rev. A. Corey, that a blessed work of grace is in progress at Wickham. He says God is blessing the people; backsliders are aroused, and seventeen have professed conversion, and have followed the Saviour in baptism.

Rev. A. Estabrooks says he has just paid a visit to Grand Falls, and, after describing their destitution of the word of life, remarks:—

"And shall they be neglected because they are not able to pay a large salary? Ministers of Christ who are seeking for a field of labour, remember the destitution of the people at Grand Falls. But lest any should be disappointed after coming, I will say a word concerning the people who reside there. They are of different denominations, Baptists, Free Baptists, Presbyterians, Episcopalians, Catholics, &c.—They would prefer a preacher of some education and experience. They have not as much interest in religion as in some other places, because deprived of many religious privileges. There is a good deal of drunkenness in the place, but they have a division of the Sons of Temperance, who are doing all they can to stay the progress of intemperance. Let the minister who expects an easy time not think of going to the Grand Falls. The man who goes there to preach must expect a hard time at first, but the reward is blessed; they that sow in tears shall reap in joy. I conclude by saying that the people at the Grand Falls are greatly in need of a minister. Who will go and preach the gospel to them, trusting in God to open the hearts of the people, there or elsewhere, to support him?"

DONATION VISITS.

I wish gratefully to acknowledge the receipt of \$86.00 in cash and useful articles, presented on the 18th ult. by the members of the church and congregation at Port Medway, who met at the Parsonage to express in this tangible manner their appreciation of my services. After tea Deacon Enoch Steadman was called to the chair. The Purse with cash and the articles, before named, were then presented, in an appropriate speech, by the chairman, who touchingly referred to the recent outpouring of the Spirit in one section of the church as a blessing, crowning the joint labors of Pastor and flock. A reply was then made by the recipient, after which, Bro. Weaver, from Milton, favoured us with an excellent address. Instrumental and Vocal music enlivened the occasion. All seemed happy in contributing to the comfort of their minister and family. I would also take this opportunity of adding to the above my thanks for previous Donations made me this winter, amounting to not less than \$30.00. May the donors enjoy rich earthly and heavenly blessings.

JOHN E. GOUCHER.

It affords me pleasure hereby to acknowledge generous donations made me, since the beginning of this year, by members of my church and congregation—at the Parsonage Jan. 19; at the residence of W. J. Croscup Esq., Black Point Jan. 26; and at the residence of James Johnson Esq., in Granville March 24—amounting in the aggregate to \$146.50. These visits so far as the tea, music, speeches and religious exercises were concerned could scarcely be excelled. With the exception of a fearful storm on the first evening which prevented many from attending, they were all very pleasant seasons. In addition to these expressions of sympathy it is my pleasure to state that a young friend, upon whom fortune has smiled, called at the Parsonage in the early part of the winter and presented me a \$20 bill, and went on his way with the Pastor's blessing.

I feel grateful to my Heavenly Father for His manifold favors and hope hereafter to serve Him better. I feel grateful also to my kind people for their repeated exhibitions of good will to me and mine. May Heaven's best gifts be theirs!

Yours in Christian love ISAIAH WALLACE.

Graham's Pain Eradicator.

From Mrs. WILLIAM GRAHAM, Broomfield, Carleton County, N. B., January 4th, 1864.

"In the summer of 1854 I was taken with Cramps in my Stomach, causing distressing pain and of such a severe kind that I was scarcely a week free of them and often had them daily. About two years ago the attacks began to terminate in fits and finally changed altogether to fits, and increased in frequency until last summer that I commenced the use of Graham's Pain Eradicator and his Vegetable Antibilious Pills. The second time of using these medicines stopped the disease, and before I had used one box of the Pills and bottles of the Pain Eradicator I was completely cured. It has had a surprising effect in my family in curing Rheumatism Pains in the side, Chillsains, &c."

"Thousands have filled a premature grave from the error of waiting for a cold to get well of itself, until it became settled into Consumption; but this may be averted by the timely use of Graham's Pain Eradicator, which is the best remedy in use for Coughs, Colds, Asthma, Headache, Rheumatic Affections, Erysipelas, Salt Rheum, &c., and for Eradicating Pain of every form. See the following Certificate of John Murphy, Esq., Coroner, Peterborough, Queen's County, N. B.:—

"In the fall of 1861 one of my sons was seized with a severe Cold, his disease increased rapidly until he could not lie in bed at night from the effects of the cough, pain in the chest and spitting of blood, and he was considered in deep desecence. Hearing of great cures being effected by Graham's Pain Eradicator, I procured a bottle of it which he used according to directions, and by the use of one bottle he was restored to perfect health and has remained so since. Consequently from this and other instances I have known I can confidently recommend it to the public as the best medicine in use. Given under my Hand this 6th day of November, 1863. JOHN MURPHY.

Travellers are always liable to sudden attacks of Dysentery and Cholera Morbus, and these occurring when absent from home are very unpleasant. PENNY DAVIS VEGETABLE PAIN KILLER may always be relied upon in such cases. As soon as you feel the symptoms, take one teaspoonful in a gill of new milk and molasses and a gill of hot water, stir well together and drink hot. Repeat the dose every hour until relieved. If the pains be severe, bathe the bowels and back with the medicine, clear.

In cases of Asthma and Phtisis, take a teaspoonful in a gill of hot water sweetened well with molasses; also, bathe the throat and stomach faithfully with the medicine clear.

Dr. Sweet says it takes out the soreness in cases of bonesetting faster than anything he ever applied. Fishermen, so often expose to hurts by having their shirt pierced with hooks and fins of fish, can be much relieved by bathing with a little of the Pain Killer as soon as the accident occurs; in this way the anguish is soon abated; bathe as often as once in five minutes, say three or four times, and you will seldom have any trouble.

The bites and scratches of dogs or cats are cured by bathing with Pain Killer, clear. Great success has been realized by applying this medicine as soon as the accident occurs.

Sold by Avery Brown & Co., and Brown, Brother & Co.
