A New Manual of Thorough Bass

AND

TEXT BOOK OF MUSICAL THEORY,

By EDWARD B. OLIVER.

Principal of the Mendelssohn Musical Institute, Boston.

This volume embodies the principal ideas and in-structions contained in the elaborate and volumi-nous work of distinguished German, French and It-alian Masters, disencumbered of the great mass of words in which they have been usually obscured, stated in simple language, and made plain to the understanding of all who desire to know something of the Theory and Science of Music. This Manual is the result of more than twenty years' experience in the labor of teaching. It will be found to be the best book that can be placed in the hands of begin-ners, and for advanced scholars an invaluable hand book of reference.

Price, in cloth 67 cts.; boards, 50 cts., on receipt of which it will be sent prepaid. OLIVER DITSON & Co., Publishers, 277 Washington Street, Boston.
