Few are aware of the importance of stopping a cough or slight cold in its first stage; that which in the beginning would yield to a mild remedy, if not attended to, soon attacks the lungs.

Brown's Bronchial Troches were first introduced eleven years ago. It has been proved that they are the best article before the public for Coughs, Colds, Bronchitis, Asthma, Catarrh, the Hoarse Cough in Consumption, and numerous affections of the Throat, giving immediate relief.
