Music.

The Cabinet Organ.

MANUFACTURED BY MASON & HAMLIN. IS RECOMMENDED BY TWO HUNDRED OF THE most distinguished MUSICIANS, ORGANIST AND ARTISTS.

embracing a great part of the musical talent of the country. It must be readily admitted that an instrument which receives the endorsement of such an array of the most competent musical judges must possess most decided points of excellence and superiority.

CABINET ORGAN.

which for the following reasons is manifestly preferable to all other instruments of the Melodeon or Harmonium kind, and but little inferior to the costly pipe Organ, except for the larger class of churches and audience rooms:

Made only by Mason & Hamlin,

and can be supplied only by them and their appointed agents. The instrument is the result of inventions and improvements duly patented and held by M. & H., who place their imprint thus: "MASON & HAMLIN CABINET ORGAN."

Mason & Hamlin, Boston.

NOVA SCOTIA AGENCY. 59 Granville Street, Halifax N. S. Dec. 29.

TESTIMONIALS.

From GOTTSCHALK, the distinguished Pianist. I congratulate you on the introduction of a new musical instrument, long wanted, and sure to find its way into every household of taste and refinement.

From JOHN ZUNDEL, Organist of Rev. Henry Ward Beecher's Church.

Your Cabinet Organ surpasses anything in this line I have yet seen, whether French or American.

From CARL ZERRAHN, Conductor of the Orchestral Union, Handel and Haydn Society, Boston.

They far surpass all other instruments of the kind that have come under my observation. For fullness, richness, and brilliancy of tone, they are, in my opinion, unequalled.

CARL ZERRAHN.
