70,000 Copies Sold in Sixty Days!

The most interesting and exciting book ever pubished, embracing Mr. Richardson's unparal eled experience for four years. Travelling through the South in the secret service of the " Tribune" at the outbreak of the war, with our armies and fleets, both East and West, during the first two years of the dreds of cases. Rebellion; his thrilling capture; his confinement for twenty months in seven different Rebei prisons ; his escape, and almost mitacolous journey by night of nearly 400 miles. It will abound in sturring events, and contain more of the fact, incident, and

print; but not one of them will give, within a similar compass, a clearer, fuller, more readable account, entirely from personal observation, of the nature, animus, purposes, tendencies, and instrumentalities of the slaveho de 's Rebellion, than does the unpretending narrative of Mr. Richardson."

Teachers, ladies, energetic young men, and e-pecially returned and disab ed officers and so diers, in want of profitable employment, will find it particularly adapted to their condition. Send for circulars.
