AYER'S CATHARTIC PILLS ARE the most perfect purgative which we are able to produce or which we think has ever yet been made by any body. Their effects have abundantly shown to the community how much they excel the ordinary medicines in use. They are safe and pleasant to take, but powerful to cure. Their penetrating properties stimulate the vital activities of the body, remove the obstructions of its organs, purify the blood, and expel disease. They purge out the foul humors which breed and grow distemper, stimulate sluggish or disordered organs into their natural action, and impart a healthy tone with strength to the whole system. Not only do they cure the every-day complaints of everybody, but also formidable and dangerous diseases. While they produce powerful effects, they are at the same time, in diminished doses, the safest and best physic that can be employed for children. Being sugar-coated, they are pleasant to take; and, being purely vegetable, are free from any risk of harm. Cures have been made which surpass belief, were they not substantiated by men of such exalted position and character, as to forbid the suspicion of untruth. Many eminent clergymen and physicians have lent their names to certify to the public the reliability of our remedies, while others have sent us the assurance of their conviction that, our Preparations contribute immensely to the relief of our afflicted, suffering fellow men. The Agents below named are pleased to furnish gratis our American Medicines, containing directions for the use and certificates of their cures, of the following complaints: Costiveness, Bilious Complaint, Rheumatism, Dropsy, Heartburn, Headache arising from foul stomach, Nausea, Indigestion, Morbid Inaction of the Bowels and Pain arising therefrom, Flatulency, Loss of Appetite, all Diseases which require an evacuant medicine. They also, by purifying the blood and stimulating the system, cure many complaints which it would not be supposed they could reach, such as Deafness, Partial Blindness, Neuralgia and Nervous Irritability, Derangements of the Liver and Kidneys, Gout, and other kindred complaints arising from a low state of the body, or obstruction of its functions. Do not be put off by unprincipled dealers with other preparations which they make mere profit on. Demand AYER'S and take no other. The sick want the best aid there is for them, and they should have it. Prepared by Dr. J. C. Ayer & Co., Lowell, Mass., and sold by Druggists and Agents everywhere. Sold at wholesale and retail by Avery, Brown & Co., Halifax, N. S.; Geo. A. Bayard, St. John, N. B.; W. R. Watson, Charlottetown, P. E. I. Aug. 25. 2 mths.

DR. L. BERRY'S LINIMENT WILL, besides Curing Burns instantly, relieve and cure Rheumatic Pains; also Neuralgia, and Ague in the face, if used according to the directions; and is an effectual remedy for Chilblains and Cuts, and will take down Swellings on Man or Beast that may be caused by bruises or otherwise, and will cure the Headache quicker than any other article in the market. DR. JEROME KIDDER'S FIRST PREMIUM, VITALIZING, GENUINE SIX-CURRENT ELECTRO-MEDICAL APPARATUS. It is most perfect in its construction, and the simplest in its operation of any ever made. The HIGHEST PREMIUM was awarded this machine at the late fair of the American Institute, also at the fair of the Franklin Institute, Syracuse, over all others in competition with it, and the same has been awarded it wherever it has been exhibited in competition. This machine is the one now used by the electricians of New York and elsewhere. It is performing the most wonderful cures and has never been known to produce any unfavourable results,—for this reason it should be in every family in the land.

CURES. Mr. H. Lehmann, Croton Flour Mills, New York, had for eight years a swelling of the knee, which was called white swelling, and two out of three physicians who had been consulted had advised amputation. He suffered severely, and had to limp from five to six days in stormy weather. He was advised a trial of electricity, and he was cured by four applications of Dr. Jerome Kidder's Electro-Magnetic Machine. Mrs. Wilber, Green Island, foot badly bruised, swollen, could not walk. A few minutes' application of the current reduced the swelling, and took the soreness away. M. Colburn, New York, afflicted for twenty years with rheumatism. For three and a half years could not walk, came near losing the use of his leg from paralysis, was perfectly cured by the use of this apparatus. "New York February 7, 1865.

"I would say that my wife has been fully cured of dyspepsia and general debility by the use of electricity from one of Dr. Jerome Kidder's machines. "E. SHELLEY, 55 Pike Street." Case in Bellevue Hospital; a German pianist, severely burned in both hands, outside nearly all destroyed, pain excessive, and nervous system much excited. One application removed the pain and quieted his system, and he was well in a few days. James Sanders, Bohonostady, N. Y., afflicted with severe dyspepsia, and was entirely cured by this machine. A. Mallison, Pittsfield, Mass, case of severe paralysis, he was entirely restored by its use. A. J. Steele, Chicago, Ill., severe case of sciatica, right leg almost paralyzed. He says: "I heard of your machine, purchased one, and the result is a cure by my own use of it." A. Roe, 27 Park Place, New York, suffered greatly from neuralgia rheumatism for five years, and could not walk; he could get no relief, and despaired of a cure till he used this apparatus, which cured him in one month. February 13, 1865.

S. C. Mack, Skillman Street, near De Kalb Avenue, East Brooklyn, says: "Last summer I was afflicted with dyspepsia, could eat but very little, and suffered greatly from nervous debility; was very much emaciated; could not sleep nights; had cold sweats succeeded by flashes of heat; my skin was a pale yellow. I had been under the treatment of four different physicians, and could get no relief, whatever till I was advised by Dr. Palmer, of Brooklyn, to purchase one of your electro-magnetic machines as my only means of cure. I did so, and found great relief in a few applications. I continued its use, and in four or five weeks recovered my health by its means. Machines of various sizes and prices, for portability, and for office and family use. CAUTION.—We learn that there have been machines put forward with the name Kidder on them, which are not our machines. The genuine have on them our name in full, and also the patent label. Address DR. JEROME KIDDER, 452 Broadway, New York.
