We ask the attention of the public to this long tested and unrivalled Family Medicine.

It has been favorably known for more than twenty years, during which time we have received thousands of testimonials, showing this Medicine to be an almost never-failing remedy for diseases caused by or attendant upon Sudden Colds, Coughs, Fever and Ague, Headache, Bilious Fever, Pains in the Side, Back, and Loins, as well as in the Joints and Limbs; Neuralgic and Rheumatic Pains in any part of the system, Toothache, and Pains in the Head and Face.

As a Blood Purifier and Tonic for the Stomach, it seldom fails to cure Dyspepsia, Indigestion, Liver Complaint, Acid Stomach, Heartburn, Kidney Complaints, Stiff Headache, Piles, Asthma or Phthisis, Ringworms, Boils, Felons, Whitlows, Old Sores, Swollen Joints, and General Debility of the System. It is also a prompt and sure Remedy for Cramp and Pain in the Stomach, Painters' Colic, Diarrhoea, Dysentery, Summer Complaint, Cholera Morbus, Cholera Infantum, Scalds, Burns, Sprains, Bruises, Frost Bites, Chills, as well as the Stings of Insects, Scorpions, Centipedes, and the Bites of Poisonous Insects and Venomous Reptiles.

See Directions accompanying each bottle. It has been tested in every variety of climate, and by almost every nation known to Americans. It is the almost constant companion and trustworthy friend of the missionary and the traveller, — on sea and land, — and no one should travel on our lakes or rivers without it.

PERRY DAVIS & SON, MANUFACTURERS AND PROPRIETORS, PROVIDENCE, R. I. Sold by dealers every where.

The Cabinet Organ MANUFACTURED BY MASON & HAMLIN, IS RECOMMENDED BY TWO HUNDRED OF the most distinguished MUSICIANS, ORGANIST, AND ARTISTS.

of America as unquestionably far superior to all other similar instruments. Among those who have given written testimonials to the superiority of THE CABINET ORGAN are such men and musicians as Lowell Mason, Thomas Hastings, William B. Bradbury, George F. Root, Henry S. Cutler, George W. Morgan, John Zundel, L. M. Gottschalk, and others.

In 1853 Messrs. M. & H. commenced the manufacture of improved Melodions. They studied constantly the operation of these instruments in all their parts and conditions, and by employing the best workmen that could be obtained, and encouraging them to excel in their several departments, they were enabled to make valuable improvements, till in the Fall of 1855 they introduced to the public the ORGAN HARMONIUM, which was a decided advance upon any similar instrument then known, and received the highest tokens of favor from the most distinguished musical critics and amateurs.

CABINET ORGAN.

which for the following reasons is manifestly preferable to all other instruments of the Melodion or Harmonium kind, and but little inferior to the costly pipe Organ, except for the larger class of churches and audience rooms: 1. Its organ like quality of tone. 2. Its great volume and power. 3. Its unequalled variety of expression. 4. Its remarkable quickness of action. 5. Its adaptation to both sacred and secular music. 6. Its great durability. Being made of first-class materials in the most workmanlike manner, it is not likely to get out of order, and may be transported with safety around the world. 7. Its great economy. Its cost is moderate; it occupies little room, and is warranted for five years.

Made only by Mason & Hamlin, and can be supplied only by them and their appointed agents. The instrument is the result of inventions and improvements duly patented and held by M. & H., who place their imprint thus: "MASON & HAMLIN CABINET ORGAN," in gilt letters on every instrument. Purchasers will please observe whether or not the above lettering is on the instrument for which they are negotiating, as parties have suffered by having inferior instruments palmed off on them under the representation that they were "Cabinet Organs."

TESTIMONIALS.

From GOTTSCHALK, the distinguished Pianist. I congratulate you on the introduction of a new musical instrument, long wanted, and sure to find its way into every household of taste and refinement which can possibly afford its moderate expense. Your Cabinet Organ is truly a charming instrument, worthy of the high name it has received, and far superior to everything of its class I have seen. I take pleasure in commending it most heartily to everywhere worthy a place beside the Piano-forte, to which it is a fine complement, from its capacity for rendering most delightful music, sacred and secular, classic and popular, to which the Piano is not adapted. New York, 22d Sept., 1855. From JOHN ZUNDEL, Organist of Rev. Henry Ward Beecher's Church. Your Cabinet Organ surpasses anything in this line I have yet seen or heard of in America. JOHN ZUNDEL. From Capt. ZERRAHN, Conductor of the Orchestral Union, Handel and Haydn Society, &c., Boston. They far surpass all other instruments of the kind that I have come under my observation. For fulness, richness, and brilliancy of tone, they are, in my opinion, unequalled. CAME ZERRAHN.

AYER'S CHERRY PECTORAL,

For the rapid cure of Coughs, Colds, Influenza, Hoarseness, Croup, Bronchitis, Incipient Consumption, and for the relief of Consumptive Patients in advanced stages of the disease. So wide is the field of its usefulness and so numerous are the cases of its cures, that almost every section of our country abounds in persons who have been restored from alarming and even desperate diseases of the lungs by its use. When once tried, its superiority to every other expectorant is too apparent to admit of observation, and where its virtues are known, the public no longer hesitate what antidote to employ for the distressing and dangerous affections of the pulmonary organs that are incident to our climate. While many inferior remedies thrust upon the community have failed and been discarded, this has gained friends by every trial, conferred benefits on the afflicted that can never be forgotten, and produced cures too numerous and too remarkable to be forgotten. We can only assure the public that its quality is carefully kept up to the best it ever has been, and that it may be relied on to do for their relief all that it has ever done. Great numbers of Clergymen, Physicians, Statesmen, and eminent personages, have lent their names to certify the unparalleled usefulness of our remedies, but space here will not permit the insertion of them. The Agents below named furnish gratis our AMERICAN ALMANAC in which they are given, with also full descriptions of the complaints they cure. Those who require an alternative medicine to purify the blood will find Ayer's Sarsaparilla the remedy to use. Try it once, and you will know its value. Prepared by J. C. AYER & CO., Lowell, Mass., sold by Druggists and Agents everywhere. Sold at wholesale and retail by Ayer, Brown & Co., Halifax, N. S.; Geo. A. Bayard, St. John, N. B.; W. B. Watson, Charlottetown, P.
