CANGERSICANGERSII

Cancers can be cured.

DURING the last six years residence in the town of Guysborough, the Rev A. F. Porter has cured 46 canders, and not in a single instance where he has applied his Sovereign Remedy has he failed to effect a Permanent cure. The prosess is very simple, quick, easy and in all cases where the cancer is not broken perfectly safe, persons afflicted with this dreadful disease, should apply first ourse as soon as possible, for the longer they delay the more difficult it is to cure. He will not make a charge unless he first makes a cure, and then it will he but a trifle, to pay for the Medicine.
