DR. JEROME KIDDER'S FIRST PREMIUM, VITALIZING, GENUINE SIX-CURRENT

ELECTRO-MEDICAL APPARATUS.

It is most perfect in its construction, and the simplest in its operation of any ever made. The HIGHEST PREMIUM was awarded this machine at the late fair of the American Institute, also at the fair of the Franklin Institute, Syracuse, over all others in competition with it, and the same has been awarded it wherever it has been exhibited in competition. This machine is the one now used by the electricians of New York and elsewhere.
It is performing the most wonderful cures and has never been known to produce any unfavourable results,—for this reason it should be in every family in the land.

CURES.

Mr. H. Lehmann, Oroton Flour Mills, New York, had for eight years a swelling of the knee, which was called white swelling, and two out of three physicians who had been consulted had advised amputation. He suffered severely, and had to lose from five to six days in stormy weather. He was advised a trial of electricity, and he was cured by four applications of Dr. Jerome Kidder's Electro-Magnetic Machine.

Mrs. Wilber, Green Island, foot badly bruised, swollen, could not walk. A few minutes' application of the current reduced the swelling, and took the soreness away.

M. Colburn, New York, afflicted for twenty years with rheumatism. For three and a half years could not walk, came near losing the use of his leg from paralysis, was perfectly cured by the use of this apparatus.

"New York February 7, 1865. 'I would say that my wife has been fully cured of dyspepsia and general debility by the use of electricity from one of Dr. Jerome Kidder's machines.' E. SMYLY, 55 Pike Street."

Case in Bellevue Hospital; a German pianist, severely burned in both hands, fingers nearly all destroyed, pain excessive, and nervous system much excited. One application removed the pain and quieted his system, and he was well in a few days.

James Sanders, Schenectady, N. Y., afflicted with severe dyspepsia, and was entirely cured by this machine.

A. Mallon, Pittsfield, Mass. case of severe paralysis, he was entirely restored by its use.

A. J. Steele, Chicago, Ill. severe case of sciatica, right leg almost paralyzed. He says: "I heard of your machine, purchased one, and the result is a cure by my own use of it."

A. Roe, 27 Park Place, New York, suffered greatly from neuralgia rheumatism for five years, and could not walk; he could get no relief, and despaired of a cure till he used this apparatus, which cured him in one month.

S. C. Mack, Skillman Street, near De Kalb Avenue, East Brooklyn, says: "Last summer I was afflicted with dyspepsia, could eat but very little, and suffered greatly from nervous debility; was very much emaciated; could not sleep nights; had cold sweats succeeded by flashes of heat; my skin was a pale yellow. I had been under the treatment of four different physicians, and could get no relief whatever till I was advised by 'Dr. Palmer,' of Brooklyn, to purchase one of your electro-magnetic machines as my only means of cure. I did so, and found great relief in a few applications. I continued its use, and in four or five weeks recovered my health by its means."

Machines of various sizes and prices, for portability, and for office and family use.

CAUTION.—We warn that there have been machines put forward with the name Kidder on them, which are not our machines. The genuine have on them our name in full, and also the patent label. Address DR. JEROME KIDDER, 433 Broadway, New York.
