READ WHAT ROGERS & Co's Medicines Are Doing for the Afflicted.

CERTIFICATES. MOUNTAIN, N.S., August 17, 1865. MESSRS. ROGERS & Co.

Gentlemen, Your Medicines have cured my Wife of a Cancer of the Breast. It had existed about nine months before she began with your medicines, grew rapidly, accompanied by darting pains. No doubt would soon have gone beyond cure; but by a few months faithful application of your medicine she has got entirely well.

Yours truly, ALEXANDER GILLIS.

From the Halifax "Citizen"

A VALUABLE REMEDY.—As a general rule we do not endorse editorially any of the numerous notices of popular medicines that from time to time appear in the advertising columns of our paper; but we depart from our usual custom to-day to direct attention to the advertisement of Rogers & Co's Medicines, because we believe the facts disclosed in the advertisement are such as to justify if not call for, such special attention.

AMHERST, N.S., 7th August 1865. MESSRS. ROGERS & Co. Gentlemen, Permit me to add my testimony to the great value of your preparations; and any person reading the following account of a cure effected by it upon my son will not dispute my right to do so.

This is certainly the most extraordinary cure ever made in this country. No person could fully appreciate the sad and suffering condition he was in without seeing for themselves; to all human appearance he could not have lived a week; there did not seem to be a ray of hope left.

We have taken the liberty of adding their official and business position to the above names.

Some of our agents write us that members of the Medical Faculty are among the largest purchasers of our medicines. We are glad they appreciate their healing qualities, and have used them successfully in treating their patients.

Rogers & Co., Amherst, N.S.

Perhaps the most remarkable case of all we have to relate is that of a son of W. B. Weldon, Esq. of Koughibouguac, N.B.

The Widow Bird, of Maccan Mountain, was afflicted with a complication of internal disease incident to women, and lay for months at the point of death.

OH H. READ, M.D., Esq., of Windsor, N.S., writes as follows:—

I have used your Medicines in one or two cases of Scrophulous Sores, and think it excellent, and it is the best thing I know of for removing the itching which remains after inflammation of Joints.
