DR. JEROME KIDDER'S FIRST PREMIUM, VITALIZING, GENUINE SIX-CURRENT ELECTRO-MEDICAL APPARATUS.

It is most perfect in its construction, and the simplest in its operation of any ever made. The HIGHEST PREMIUM was awarded this machine at the late fair of the American Institute, also at the fair of the Franklin Institute, Syracuse, over all others in competition with it, and the same has been awarded it wherever it has been exhibited in competition. This machine is the one now used by the electricians of New York and elsewhere.

It is performing the most wonderful cures and has never been known to produce any unfavourable results,—for this reason it should be in every family in the land. CURES. Mr. H. Lehmann, Croton Flour Mills, New York, had for eight years a swelling of the knee, which was called white swelling, and two out of three physicians who had been consulted had advised amputation. He suffered severely, and had to lose from five to six days in stormy weather. He was advised a trial of electricity, and he was cured by four applications of Dr. Jerome Kidder's Electro-Magnetic Machine.

Mrs. Wilber, Green Island, foot badly bruised, swollen, could not walk. A few minutes' application of the current reduced the swelling, and took the soreness away. M. Colburn, New York, afflicted for twenty years with rheumatism. For three and a half years could not walk, came near losing the use of his leg from paralysis, was perfectly cured by the use of this apparatus. "NEW YORK. February 7, 1865. "I would say that my wife has been fully cured of dyspepsia and general debility by the use of electricity from one of Dr. Jerome Kidder's machines. "E. BELLET, 55 Pike Street." Case in Bellevue Hospital; a German pianist, severely burned in both hands, entire nearly all destroyed, pain excessive, and nervous system much excited. One application removed the pain and quieted his system, and he was well in a few days. James Sanders, Schenectady, N. Y., afflicted with severe dyspepsia, and was entirely cured by this machine.

A. Mallon, Pittsfield, Mass, case of severe paralysis, he was entirely restored by its use. A. J. Steele, Chicago, Ill., severe case of sciatica, right leg almost paralyzed. He says: "I heard of your machine, purchase d one, and the result is a cure by my own use of it."

A. Roe, 27 Park Place, New York, suffered greatly from neuralgia rheumatism for five years, and could not walk; he could get no relief, and despaired of a cure till he used this apparatus, which cured him in one month. February 13, 1865.

S. C. Mack, Skillman Street, near De Kalb Avenue, East Brooklyn, says: "Last summer I was afflicted with dyspepsia, could eat but very little, and suffered greatly from nervous debility; was very much emaciated; could not sleep nights; had cold sweats succeeded by flashes of heat; my skin was a pale yellow. I had been under the treatment of four different physicians, and could get no relief whatever till I was advised by Dr. Palmer, of Brooklyn, to purchase one of your electro-magnetic machines as my only means of cure. I did so, and found great relief in a few applications. I continued its use, and in four or five weeks recovered my health by its means. Machines of various sizes and prices, for portability, and for office and family uses. CAUTION.—We learn that there have been machines put forward with the name Kidder on them, which are not our machines. The genuine have on them our name in full, and also the patent label. Address DR. JEROME KIDDER, 483 Broadway, New York. April 10. 6 mths.

PROSPECTUS.

THE PATRIARCH OF WESTERN NOVA SCOTIA.

MEMORIALS OF THE LIFE AND TIMES OF THE LATE REV. HARRIS HARDING, OF YARMOUTH, NOVA SCOTIA.

Prepared by the Rev. John DAVIS, of Charlottetown, P. E. I., with an Introductory Notice by J. W. NUTTING, Esq., of Halifax. Accompanied by a Portrait of Mr. Harding, with other Pictorial Illustrations.

SUBSCRIPTION—ONE DOLLAR, DUE ON DELIVERY.

Two of the Nova Scotia Baptist Associations have recommended the Publication of the above work. It will therefore be put to Press as soon as subscriptions have been obtained for five hundred copies; of which more than one half have been already secured.

The work will comprise sketches of the religious history of Western Nova Scotia before the days of Mr. Harding. It will supply details of Mr. Harding's personal life, labours, and usefulness. Mr. Nutting's Introductory Notice will relate to the religious condition of Nova Scotia generally, to the revival of religion which commenced towards the close of the last century, and to some of the leading agents in that revival.

A copious Appendix will be subjoined. This will be illustrative of persons and events introduced into the work, and include a selection from Mr. Harding's correspondence; giving letters written by him some seventy years ago. The pictorial embellishments will add to the interest of the work. The whole will be neatly got up; and will supply, it is hoped, a valuable contribution to the religious history of Nova Scotia, more especially in connection with the Baptist denomination.

The work will be published by subscription in order to protect its compiler from pecuniary loss in his enterprise. So large a proportion of the amount required for this purpose having been already secured, the issue of the work may be expected in the course of the current year. Charlottetown, P. E. I., April, 1865. April 26.
