The progress which the science of music has of late made, and the general desire which is beginning to be felt that it should be introduced as one of the regular common-school branches, has stimulated inventive genius to perfecting an instrument adapted to use in the church and school

as well as the drawing-room. As the result of this desire, we have the latest candidate for favor in the Cabinet Organ of Messrs. Mason & Hamlin, which seems to be admirably adapted for leading classes in vocal music. It is a very neat and compact in form, substantially made of oak or walnut, and is in every respect well suited for the school. We have had the pleasure of hearing it tested, and have been much surprised that so much power and volume of sound could be contained in so small & space .- The School Journal.

THE PATRIARCH OF WES-TERN NOVA SCOTIA.

MEMORIALS OF THE LIFE AND TIMES OF THE LATE REV. HARRIS HARDING, OF YARMOUTH, NOVA SCOTIA.

Prepared by the Rev. John Davis, of Charlottetown, P. E. I., with an Introductory Notice by J. W. NUTTING, Esq., of Halifax. Accompanied by a Portrait of Mr. Harding, with other Pictorial Illus-

SUBSCRIPTION-ONE DOLLAR, DUE ON DELIVERY.

Two of the Nova Scotia Baptist Associations have recommended the Publication of the above work. It will therefore be put to Press as soon as subscriptions have been obtained for five hundred copies; of which more than one half have been already secured.

The work will comprise sketches of the religious history of Western Nova Scotia before the days of Mr. Harding. It will supply details of Mr. Harding's personal life, labours, and usefulness. Mr. Nutting's Introductory Notice will relate to the religious condition of Nova Scotia generally, to the revival of religion which commenced towards the close of the last century, and to some of the leading

agents in that revival. A copious Appendix will be subjoined. This will be illustrative of persons and events introduced into the work, and include a selection from Mr. Harding's correspondence; giving letters written by him some seventy years ago.

The pictorial embellishments will add to the interest of the work. The whole will be neatly got up; and will supply, it is hoped, a valuable contribution to the religious history of Nova Scotia, more especially in

connection with the Baptist denomination. The work will be published by subscription in order to protect its compiler from pecuniary loss in his enterprise. So large a proportion of the amount required for this purpose having been already secured. the issue of the work may be expected in the course of the current year. Charlottetown, P. E. I., April, 1865.
