MASON & HAMLIN CABINET ORGANS

NOVA SCOTIA AGENCY, 59 GRANVILLE STREET, HALIFAX, N. S.

For sale at the manufacturers' prices, allowing for Duty and Bank rates of exchange. Instruments for use in Churches Free of Duty.

No charge for freight from Boston.

THE CABINET ORGAN is essentially different from and a very great improvement upon all instruments of the Melodeon or Harmonium kind.

- 1. The more organ like character of its tone.
2. It has greatly more power and volume of tone in proportion to its cost.
3. By the employment of a very simple and beautiful invention, its capacity for expression is made vastly greater than has ever before been attained in such instruments.

It may be reasonably said that if the instruments have the great and obvious superiority thus claimed for them, they must have received very warm recommendations from professional musicians, who would naturally be most interested in the introduction of such instruments, and who are the best judges of their excellence.

Among those who have proffered written testimony to their admirable qualities and great desirability, and that they regard them as unequaled by any other instruments of their class, are such well-known musicians as LOWELL MASON, THOMAS HASTINGS, WILLIAM B. BRADBURY, GEORGE P. ROOT, etc.

Cleanse the Blood.

WITH corrupt, disordered or vitiated Blood, you are sick all over. It may burst out in Pimples, or Sores, or in some active disease, or it may merely keep you listless, depressed and good for nothing. But you cannot have good health while your blood is impure. AYER'S SARSAPARILLA purges out these impurities and stimulates the organs of life into vigorous action, restoring the health and expelling disease.

During late years the public have been misled by large bottles, pretending to give a quart of Extract of Sarsaparilla for one dollar. Most of these have been frauds upon the sick, for they not only contain little, if any, Sarsaparilla, but often no curative properties whatever.

AYER'S CHERRY PECTORAL is universally known to surpass every other remedy for the cure of Coughs, Colds, Influenza, Hoarseness, Croup, Bronchitis, Inipient Consumption, and for the relief of Consumptive Patients in advanced stages of the disease, that it is useless here to recount the evidence of its virtues. The world knows them.
