NO MORE COD LIVER OIL.—GRIM-

MAULT'S SYRUP OF IODIZED HORSE-RADISH.—Prepared by Grimault & Co., Chemist of Paris, according to the certificates of the physicians of the Paris hospitals, detailed in the printed directions, and with the approbation of several Academies, this Syrup is employed with the greatest success, in place of Cod Liver Oil, to which it is infinitely superior.

It cures diseases of the chest, scrofula, lymphatic disorders, green sickness, muscular atony, and loss of appetite. It regenerates the constitution by purifying the blood, and is in a word, the most powerful depurative known. It never fatigues the stomach and bowels, like Iodide of Potassium and the Iodide of Iron, and is administered with the greatest efficacy to young children, subject to humours, or obstruction of the glands.—Dr. Casenave of Saint Louis Hospital, Paris, recommends it particularly in diseases of the skin, to be taken with his Pills mentioned above.

This Syrup of Iodized Horseradish is a capital adjunct to Dr. Lera's Phosphate of Iron.

GRIMMAULT and Co's DIGESTIVE ELIXIR OF PEP-SINE.—Pepsine is the gastric juice itself, or rather the active principle purified, which digests food in the stomach. When from various causes, the supply of the digestive fluid is too small, the inevitable consequences are, bad digestion, inflammation of the mucous coats of the stomach and bowels, and in females general derangement. The elixer of pepsine, sanctioned by the Paris Academy of Medicine, speedily cures all such diseases and prevents vomiting during pregnancy and while out sea voyaging.

NO MORE OUTWARD REMEDIES FOR DISEASES OF THE SKIN, BUT ONLY PILLS.—Of Dr. A. Casenave, Chief Physician of the Hospital Saint Louis, in Paris, Professor of the Faculty of Medicine, Knight of the Legion of Honour, Author of many works on Ringworm, Leprosy, Elephantiasis, or swelled legs, and different other acute and Chronic cutaneous affections.

Dr. A. Casenave, after consecrating his whole life in the Hospital of Saint Louis, in Paris, has at last discovered that the real cause of all dermatoses, or skin diseases, is internal; so he and his medical colleagues have at once renounced all external remedies, and given the preference to his Pills at 5 Rupees per green glass box, cash. Printed directions accompany each packet. As the SYRUP OF IODIZED HORSE-RADISH is superior to Cod Liver Oil, and is a very powerful depurative, or purifier of the blood, it is strongly recommended by Dr. Casenave, to facilitate the action of his skin disease Pills, to use the Syrup of Iodized Horseradish with them, which may also be had at 5 Rs. a bottle cash.

DR. CAZENAVE'S VEGETABLE PILLS.—Superior to all other Pills. A trial would be their best recommendation. Whenever a purgative is required, for bilious and pituitous attacks, these may be safely used, because they cause neither nausea nor colic, and may be taken as digestives at meal, or bedtime. Price 2 Rs. cash per white glass box.

SYRUP OF HYPOPHOSPHITE OF LIME.—This new remedy, most powerful against Phthisis, (Consumption) and the different diseases of the chest, stops quickly their most alarming symptoms. The cough is calmed by it, the nightly perspirations cease, and the patient soon recovers.

The above preparations are from the Pharmacy of GRIMMAULT & Co., CHEMISTS, PARIS.

DR. LAROOKAH'S PULMONIC SYRUP.

IS prepared to meet the universal demand for a safe and effectual remedy for Throat and Lung Complaints.

These complaints are alarmingly prevalent in every climate and at every season.

The slightest cough, unless promptly checked, not unfrequently ends in Consumption.

Yet few diseases are so readily overcome in their early stages, as those of the respiratory organs.

And for those diseases, incipient or advanced, no remedy has ever been devised, which can be administered with such uniformly good results, as

Dr. Larookah's Pulmonic Syrup.

Qualities which are indispensable in a medicine designed for popular use are, certainty of salutary effect, and absence of danger from accidental over-doses.

These qualities are noteworthy in the PULMONIC SYRUP.

Though this medicine has been before the public for many years, and though thousands in every section of the country place their dependence upon it in all disorders of the Throat and Lungs, the first instance has yet to be recorded, where it has failed to cure or afford relief.

Purely vegetable in its composition, it is administered with safety to the most delicate invalid or tender child.

The complaints which have a common origin, and which the Pulmonic Syrup effectually and speedily cures, are COUGHS, COLDS, CROUP, WHOOPING COUGH, ASTHMA, CATARRH, BRONCHITIS, INFLUENZA, DIPHTHERIA, PLEURISY, SPITTING BLOOD, PAIN IN THE SIDE, NIGHT SWEATS, HOARSENESS, CONSUMPTION in its early stages, and all affections tending to Consumption.

This medicine is offered to the sick with the utmost confidence that it will be found the surest, safest and speediest cure for all Pulmonic Complaints, that has ever been placed within their reach.

PRICE, \$1.00 Per Bottle.

Dr. Larookah's Sarsaparilla Compound,

Combines all the medicinal virtues, which long experience has proved to afford the most safe and efficient alternative for the cure of Scrofula, Liver Complaints, General Debility, Dyspepsia, Dropsy, Neuralgia, Epilepsy, Erysipelas, Cancerous and Indolent Tumors, Ulcerations of the Bones, Joints, Glands and Ligaments, of the Ovaries, Uterus, Liver, Spleen and Kidneys, for all diseases of the Skin, such as Salt Rheum, Boils, Pimples, Carbuncles and Sore Eyes, for Pam in the Stomach, Side and Bowels, for Syphilis and Mercurial Diseases, also many affections peculiar to females, such as Suppression, Irregularity, Loucorrhoea, Sterility &c., &c.

This preparation is the fruit of many years of careful study and experiment, and by the innumerable cures which it has effected, we are fully convinced that no other remedy has ever been devised so powerful as this, to combat and eradicate from the system that classes of diseases to which reference is made above.

Many of the Sarsaparillas in the market possess no medicinal properties whatever; they may be used as a medium in which to administer some powerful drug, but of themselves are totally inert.

Price, \$1.00 per bottle,—6 bottles for \$5.00.

A VEGETABLE PREPARATION.

For Preserving and Beautifying the Hair, Contains neither Oil nor Alcohol.

Col. W. FORD dates at Newport News, Va., and says:

"Last summer I had a severe attack of fever, by which I was prostrated for nearly four months. When I got about again I found myself nearly bald. Dr. Kantos, to whom I applied for advice, recommended me to give your Hair Dressing a trial. I had never had any faith in proprietary articles of any kind, but at the earnest solicitation of the doctor, concluded to try yours. The first bottle had little apparent effect; but after using about half of the second bottle, I found my head covered with a thick growth of fine silken hair. I continued the use of the Dressing, and my hair continued to grow rapidly. It is now about the length I have usually worn it, and is much thicker and apparently more healthy than at my former period."
