PERRY DAVIS'S VEGETABLE PAIN KILLER

The Great Family Medicine of the Age. TAKEN INTERNALLY, CURES

Sudden Colds, Coughs, &c., Weak Stomachs, General Debility, Nursing Sore Mouth, Canker, Liver Complaint, Dyspepsia or Indigestion, Cramp and Pain in the Stomach, Bowel Complaint, Painter's Colic, Asiatic Cholera, Diarrhoa and Dysentery.

TAKEN EXTERNALLY, CURES

Felons, Boils, and old Sores, Severe Burns and Scalds, Cuts; Bruises and Sprains, Swelling of the Joints, Ringworm and Tetter, Broken Breasts, Frosted Feet and Chilblains, Toothache, Pain in the Face, Neuralgia and Rheumatism.

The PAIN KILLER is by universal consent allowed to have won for itself a reputation unsurpassed in the history of medical preparations. Its instantaneous effect in the entire eradication and extinction of Pain in all its various forms incidental to the human family, and the unsolicited written and verbal testimony of the masses in its favor, have been, and are its own best advertisements.

The ingredients which enter into the PAIN KILLER, being purely VEGETABLE, render it a perfectly SAVE and efficacious remedy taken internally, as well as for external applications, when used according to directions. The stain upon linen from its use is readily removed by washing with a little alcohol.

This medicine is justly celebrated for the cure of so many of the afflictions incident to the human

family, has now been before the public over TWENTY YEARS, and has found its way into almost every corner of the world; and wherever it has been used, the same opinion is expressed of its medical properties. In any attack where prompt action upon the system is required, the Pain Killer is invaluable. Its almost instantaneous effect in RELIEVING PAIN is truly wonderful; and when used according to directions, is true to its name, a PAIN KILLER.

It is, n truth, a FANILY MEDICINE, and should be kept in every family for immediate use. Persons travelling should always have a bottle of this remedy with them. It is not unfrequently the case when persons are attacked with disease, and before suedical aid can be procured, the patient is beyond the hope of recovery. It has been used in SEVERE CABES OF THE CHOLERA, and never has failed in a single case, where

it was thoroughly applied on the first appearance of the symptoms.

Pain Killer, taken internally, should be adulterated with milk or water, and sweetened with sugar if desired, or made into a sgrup with molasses. For a COUGH, a few drops on sugar eaten, will be more effective than any hing else. For SORE THROAT, gargle the throat with a mixture of Pain Killer and water and the relief is immediate and cure positive.

It should not be forgotton that the Pain Killer is equally as good to take internally as to use externally. Each bottle is wrapped with full directions for its use. PLEASE READ THE PRINTED

It cures diseases of the chest, scrofula, lymphatic disorders, green sickness, muscular atony, and loss of appetite. It regenerates the constitution by purifying the blood, and is in a word, the most powerful depurative known. This Syrup of lodised Horseradish is a capital adjunet to Lt. Lera's Passphate of Iron.

MESSES. ROGERS & Co.,-Gentlemen-In reference to the case of EPITHELI-MA OF THE LIP, in which I used your Cintment, I beg to say that the patient entirely recovered and has continued well since. Dr. HAMLIN'S HAND BAG FOR CHOLERA.

ONTAINING all the articles recommended by I'r. Hamlin, a well known Missionary residing at Constantinople, and possessing large ex-perience in treatment of Cholera. In the Bag are full directions how to proceed in treating an attack, till the Physician arrives—a point of much import-ance, for as Dr. Humlin remarks, on the approach of Cholera every family should be prepared to treat it, without waiting for a Physician. It does its work so expeditiously, that while you are waiting for a Dos-

tor, it is done. The Bag thus fitted out and locked, should be hung up in such a position, that on the slightest alarm it may be at hand. The public will see the immense advantage it will be to each family to possess in compact form and easy of access, the remedies which have been proved most efficacious with such directions as have in other land assayed thousands of lives.
