Surpasses in efficacy, and is destined to to Supercede, all other known remedies in the treatment of those Diseases for which it is recommended.

It has cured CANCERS after the patients have been given up as incurable by many physicians. It has cured CANKER in its worst forms, in hundreds of cases.

It has always cured SALT RHEUM when a trial has been given it, a disease that every one knows is exceedingly troublesome, and difficult to cure.

It has cured SCROFULA in hundreds of cases many of them of the most aggravated character. It cures KING'S EVIL.

It has cured many cases of SCALD HEAD. TUMORS have been removed by it in repeated instances in which their removal has been pronounced impossible except by a surgical operation.

ULCERS of the most malignant type have been healed by its use.

It has cured many cases of NURSING SORE MOUTH when all other remedies have failed to benefit.

FEVER SORES of the worst kind have been cured by it.

SCURVY has been cured by it in every case in which it has been used, and they are many. It removes WHITE SWELLING with a certainty no other medicine has.

It speedily removes from the face all BLOTCHES, PIMPLES, &c., which though not very painful, perhaps, are extremely unpleasant to have.

It has been used in EVERY KIND OF HUMOR, and never fails to benefit the patient.

NEURALGIA, in its most distressing forms, has been cured by it when no other remedy could be found to meet the case.

It has cured JAUNDICE in many severe cases. It has proved very efficacious in the treatment of PILES, an extremely painful disease.

DYSPEPSIA, which is often caused by humor has been cured by it in numerous instances.

In FEMALE WEAKNESSES, IRREGULARITIES and disease peculiar to that sex, it has been found a most potent remedy.

In cases of GENERAL DEBILITY, from whatever cause, the Syrup can be relied upon as a most efficient aid.

It is a most certain cure for RICKETS, a disease common to children.

Its efficacy in all diseases originating in a depraved state of the blood or other fluids of the body, is unsurpassed.

Its effects upon the system are truly astonishing and almost beyond belief to one who has not witnessed them.

This Syrup will as certainly cure the diseases from which it is recommended as a trial is given it, and the cure will be permanent, as it, by its wonderfully searching power, entirely eradicates the disease from the system.

The afflicted have only to try it to become convinced of what we say in regard to it, and to find relief from their sufferings.

CHILDREN TEETHING

MRS. WINSLOW.

An experienced Nurse and Female Physician, presents to the attention of mothers, her

SOOTHING SYRUP, For Children Teething.

which greatly facilitates the process of teething, by softening the gums, reducing all inflammation—will allay ALL PAIN and spasmodic action, and is

SURE TO REGULATE THE BOWELS,

Depend upon it, mothers, it will give rest to yourselves, and

RELIEF & HEALTH TO YOUR INFANTS.

We have put up and sold this article for over thirty years, and CAN SAY, IN CONFIDENCE AND TRUTH of it, what we have never been able to say of any other medicine—NEVER HAS IT FAILED, IN A SINGLE INSTANCE, TO EFFECT A CURE, when timely used. Never did we know an instance of dissatisfaction by any one who used it. On the contrary, all are delighted with its operations, and speak in terms of highest commendation of its magical effects and medical virtues. We speak in this matter "WHAT WE DO KNOW," after thirty years' experience, AND PLEDGE OUR REPUTATION FOR THE FULFILLMENT OF WHAT WE HERE DECLARE. In almost every instance where the infant is suffering from pain and exhaustion, relief will be found in fifteen or twenty minutes after the syrup is administered.

This valuable preparation is the prescription of one of the most EXPERIENCED and SKILFUL NURSES in New England, and has been used with NEVER FAILING success in

Thousands of Cases.

It not only relieves the child from pain but invigorates the stomach and bowels, corrects acidity, and gives tone and energy to the whole system. It will almost instantly relieve

CRIPING IN THE BOWELS, AND WIND COLIC,

and overcomes convulsions, which, if not speedily remedied, end in death. We believe it the BEST AND SUREST REMEDY IN THE WORLD, in all cases of DYSENTERY AND DIARRHOEA IN CHILDREN, whether it arises from teething, or from any other cause. We would say to every mother who has a child suffering from any of the foregoing complaints—DO NOT TRUST YOUR PREJUDICES, NOR YOUR PREJUDICES OF OTHERS, stand between your suffering child and the relief that will be SURE—yes, ABSOLUTELY SURE—to follow the use of this medicine, if timely used. Full directions for using will accompany each bottle. None genuine unless the name—CURTIS & BERKINS, New York, is on the outside wrapper.

Sold by Druggists throughout the world.

Principal Office, No. 48 Day Street, N. Y. Price, only 25 Cents per Bottle.
