MRS. WINSLOW'S SOOTHING SYRUP. For Children Teething, which greatly facilitate the process of teething, by softening the gums, reducing all inflammation...

SURE TO REGULATE THE BOWELS, Depend upon it, mothers, it will give rest to yourselves, and RELIEF & HEALTH TO YOUR INFANTS.

We have put up and sold this article for over thirty years, and CAN SAY, IN CONFIDENCE AND TRUTH of it, what we have never been able to say of any other medicine—NEVER HAS IT FAILED, IN A SINGLE INSTANCE, TO EFFECT A CURE, when timely used.

Thousands of Cases.

It not only relieves the child from pain but invigorates the stomach and bowels, corrects acidity, and gives tone and energy to the whole system. It will almost instantly relieve GRIPPING IN THE BOWELS, AND WIND COLIC, and overcome convulsions, which, if not speedily remedied, end in death.

PERRY DAVIS'S VEGETABLE PAIN KILLER,

The Great Family Medicine of the Age.

TAKEN INTERNALLY, CURES

Sudden Colds, Coughs, &c., Weak Stomachs, General Debility, Nursing Sore Mouth, Canker, Liver Complaint, Dyspepsia or Indigestion, Cramp and Pain in the Stomach, Bowel Complaint, Painter's Colic, Asiatic Cholera, Diarrhoea and Dysentery.

TAKEN EXTERNALLY, CURES

Felons, Boils, and old Sores, Severe Burns and Scalds, Cuts, Bruises and Sprains, Swelling of the Joints, Ringworm and Tetter, Broken Breasts, Frosted Feet and Chilblains, Toothache, Pain in the Face, Neuralgia and Rheumatism.

The PAIN KILLER is by universal consent allowed to have won for itself a reputation unsurpassed in the history of medical preparations. Its instantaneous effect in the entire eradication and extinction of PAIN in all its various forms incidental to the human family, and the unsolicited written and verbal testimony of the masses in its favor, have been, and are its own best advertisements.

The ingredients which enter into the PAIN KILLER, being purely VEGETABLE, render it a perfectly safe and efficacious remedy taken internally, as well as for external applications, when used according to directions. The stain upon linen from its use is readily removed by washing with a little alcohol.

This medicine is justly celebrated for the cure of so many of the afflictions incident to the human family, has now been before the public over TWENTY YEARS, and has found its way into almost every corner of the world; and wherever it has been used, the same opinion is expressed of its medicinal properties.

In any attack where prompt action upon the system is required, the Pain Killer is invaluable. Its almost instantaneous effect in RELIEVING PAIN is truly wonderful; and when used according to directions, is true to its name, a PAIN KILLER.

It is, in truth, a FAMILY MEDICINE, and should be kept in every family for immediate use. Persons travelling should always have a bottle of this remedy with them. It is not infrequently the case when persons are attacked with disease, and before medical aid can be procured, the patient is beyond the hope of recovery.

It has been used in SEVERE CASES OF THE CHOLERA, and never has failed in a single case, where it was thoroughly applied on the first appearance of the symptoms. Pain Killer, taken internally, should be adulterated with milk or water, and sweetened with sugar if desired, or made into a syrup with molasses. For a COUGH, a few drops on sugar eaten, will be more effective than anything else. For SORE THROAT, gargle the throat with a mixture of Pain Killer and water, and the relief is immediate and cure positive.

It should not be forgotten that the Pain Killer is equally as good to take internally as to use externally. Each bottle is wrapped with full directions for its use. PLEASE READ THE PRINTED DIRECTIONS.

Prepare for the Worst by getting a Bottle of

LANGLEY'S CORDIAL RHUBARB, OR ANTI-CHOLERA COMPOUND.

In the present age of humbug it is hard for a genuine preparation, however good it may be, to escape the open or the covert sneer, and the muttered condemnatory word "QUACK," that many preparations thoroughly deserve on account of their utter worthlessness.

LANGLEY'S CORDIAL RHUBARB

has however managed not only to escape censure, but also to obtain high praise. This it has done simply by being what it purports to be, A RELIABLE MEDICINE for a specified complaint. It does not propose to cure a dozen different diseases of most opposite natures, but confines itself with great modesty to one particular class of diseases, viz: those arising from a DISORDERED STATE OF THE STOMACH AND BOWELS.

This Cordial is therefore good for Diarrhoea, Dysentery and Cholera. It has been used with great success in the EAST INDIES, having been introduced there by officers at one time stationed in this garrison. Lately it has found its way to the COAST OF AFRICA, and is there fast becoming esteemed for its curative powers as a specific for Asiatic Cholera.

Each bottle has around it a copy of the "Recommendations of the Royal College of Physicians on the subject of Cholera,"—of itself worth the price of the bottle. Price 50c. a bottle. Liberal discount to dealers.
