BOARDING HOUSE.

MRS. T. W. DEWOLF having removed to Halifax, invites the patronage of her friends and acquaintance from the country to a com-fortable and quiet Boarding House, near to the centre of business. No. 30 Jacob Street, Upper Corner of Starr Street, and nearly opposite Temperance Hall. Sept. 19.

AYER'S CHERRY PECTORAL, FOR THE RAPID CURE OF Coughs, Colds, Influenza, Hoarseness, Croup, Bronchitis, Incipient Consumption, and for the relief of Consumptive Patients in advanced stages of the disease.

SO wide is the field of its usefulness and so numerous are its cures, that in almost every section of country are persons publicly known, who have been restored by it from alarming and even desperate diseases of the lungs. When once tried, its superiority over every other expectorant is too apparent to escape observa-tion, and where its virtues are known, the public no longer hesitate, what antidote to employ for the dis-tressing and dangerous affections of the pulmonary organs incident to our own climate. While many inferior remedies thrust upon the community have failed and been discarded, this has gained friends by every trial, conferred benefits on the afflicted who can never forget, and produced cures too num-erous and too remarkable to be forgotten. We can assure the public, that its quality is care-fully kept up to the best it ever has been, and that it may be relied on to do for their relief all that it has ever done.

Great number of Clergymen, Physicians, States-men, and other eminent personages, have lent their names to certify the unparalleled usefulness of our remedies, but space here will not permit the inser-tion of them. The Agents below named furnish gratis our AMERICAN ALMANAC in which they are given; with also full descriptions of the complaints our remedies cure.

Those who require an alternative medicine to pur-ify the blood will find AYER'S COMP. EXT. SARSAPIL-LA the one to use. Try it once, and you will con-cede its value.

Prepared by DR. J. C. AYER & Co., Lowell, Mass., and sold by all Druggists and dealers in medicine every-where. AYER, BROWN & Co., General Agents for Nova Scotia. Oct. 10. 2m. Inse.

MRS. WINSLOW. An experienced Nurse and Female Physician, presents to the attention of mothers, her SOOTHING SYRUP, For Children Teething, which greatly facilitates the process of teething, by softening the gums, reducing all inflammation—will allay ALL PAIN and spasmodic action, and is Sure to Regulate the Bowels.

Depend upon it, mothers, it will give rest to your-selves, and RELIEF AND HEALTH TO YOUR INFANTS. We have put up and sold this article for over thirty years, and CAN SAY, IN CONFIDENCE AND TRUTH of it, what we have never been able to say of any other medicine—NEVER HAS IT FAILED, IN A SINGLE INSTANCE, TO EFFECT A CURE, when timely used. Never did we know an instance of dissatis-faction by any one who used it. On the contrary, all are delighted with its operations, and speak in terms of highest commendation of its magical effects and medi-cal virtues. We speak in this matter "WHAT WE DO KNOW," a ter thirty years' experience, AND PLEDGE OUR REPUTATION FOR THE FULFILLMENT OF WHAT WE HERE DECLARE. In almost every instance where the infant is suffering from pain and exhaustion, relief will be found in fifteen or twenty minutes after the syrup is administered. This valuable preparation is the prescription of one of the most EXPERIENCED and SKILFUL NURSES in New England, and has been used with NEVER FAILING SUCCESS IN THOUSANDS OF CASES. It not only relieves the child from pain but invigor-ates the stomach and bowels, corrects acidity, and gives tone and energy to the whole system. It will almost instantly relieve GRIPING IN THE BOWELS, AND WIND COLIC, and overcome convulsions, which, if not speedily remedied, end in death. We believe it the BEST and SUREST REMEDY IN THE WORLD, in all cases DYSEN-TERY AND DIARRHGA IN CHILDREN, whether it arises from teething, or from any other cause. We would say to every mother who has a child suffering from any of the foregoing complaints—DO NOT LET YOUR PREJUDICES, NOR THE PREJUDICES OF OTHERS, stand between your suffering child and the relief that will be SURE—yes, ABSOLUTELY SURE—to follow the use of this medicine, if timely used. Full direc-tions for using will accompany each bottle. None genuine unless the fac-simile of CURTIS & PERKINS, New York, is on the outside wrapper. Sold by Druggists throughout the world.

Principal Office, No. 48 Dey Street, N. Y. Price, only 35 Cents per Bottle. Sept. 8. 1y.

DR. LAROOKAH'S PULMONIC SYRUP.

IS prepared to meet the universal demand for a safe and effectual remedy for Throat and Lung Complaints. These complaints are alarmingly prevalent in every climate and at every season. The slightest cough, unless promptly checked, not unfrequently ends in CONSUMPTION. Yet few diseases are so readily overcome in their early stages, as those of the respiratory organs. And for those diseases, incipient or advanced, no remedy has ever been devised, which can be admin-istered with such uniformly good results, as

Dr. Larookah's Pulmonic Syrup.

Qualities which are indispensable in a medicine designed for popular use are, certainty of salutary effect, and absence of danger from accidental over-doses. These qualities are noteworthy in the PULMONIC SYRUP. Though this medicine has been before the public for many years, and though thousands in every sec-tion of the country place their dependence upon it in all disorders of the Throat and Lungs, the first instance has yet to be recorded, where it has failed to cure or afford relief. Purely vegetable in its composition, it is adminis-tered with safety to the most delicate invalid or ten-der child. The complaints which have a common origin, and which the Pulmonic Syrup effectually and speedily cures, are COUGHS, COLDS, CROUP, WHOOPING COUGH, ASTHMA, CATARRH, BRONCHITIS, INFLUEN-ZA, DIPHTHERIA, PLEURISY, SPITTING BLOOD, PAIN IN THE SIDE, NIGHT SWEATS, HOARSENESS, CON-sumption in its early stages, and all affections tend-ing to Consumption. This medicine is offered to the sick with the ut most confidence that it will be found the surest, safest and speediest cure for all Pulmonic Complaints, that has ever been placed within their reach.

Dr. Larookah's Sarsaparilla Compound, Combines all the medicinal virtues, which long ex-perience has proved to afford the most safe and ef-ficient alternative for the cure of Scrofula, Liver Com-plaints, General Debility, Dyspepsia, Dropsy, Neu-ralgia, Epilepsy, Erysipelas, Cancerous and Indolent Tumors, Ulcerations of the Bones, Joints, Glands and Ligaments, of the Ovaries, Uterus, Liver, Spleen and Kidneys, for all diseases of the Skin, such as Salt Rheum, Boils, Pimples, Carbuncles and Sore Eyes, for Pain in the Stomach, Side and Bowels, for Syphilis and Mercurial Diseases, also many affec-tions peculiar to females, such as Suppression, Irreg-ularity, Loucorrhoea, Sterility &c., &c. This preparation is the fruit of many years of careful study and experiment, and by the innum-erable cures which it has effected, we are fully con-vinced that no other remedy has ever been devised so powerful as this, to combat and eradicate from the system that classes of diseases to which refer-ence is made above. Many of the Sarsaparillas in the market possess no medicinal properties whatever; they may be used as a medium in which to administer some powerful drug, but of themselves are totally inert. DR. KNIGHT'S HAIR DRESSING!! A VEGETABLE PREPARATION For Preserving and Beautifying the Hair, Contains neither Oil nor Alcohol.

Col. W. Ford dates at Newport News, Va., and says: "Last summer I had a severe attack of fever, by which I was prostrated for nearly four months. When I got about again I found myself nearly bald. Dr. Kants, to whom I applied for advice, recom-mended me to give your Hair Dressing a trial. I had never had any faith in proprietary articles of any kind, but at the earnest solicitation of the doctor, concluded to try yours. The first bottle had little apparent effect; but after using about half of the second bottle, I found my head covered with a thick growth of fine silken hair. I continued the use of the Dressing, and my hair continued to grow rap-idly. It is now about the length I have usually worn it, and is much thicker and apparently more healthy than a my former period."
