BIG GLACE BAY, September 3, 1866. MESSRS. ROGERS & Co.,-

Gents,-My little boy having for several years been afflicted with running sores in his arms and leg and various remedies been applied without effect, I was induced to try your Scrofula Ointment and Syrup. I accordingly purchased a Box of the Ointment and a Bottle of Syrup, and am happy to state that from using two Boxes and Bottles my boy is now able to go about with hardly any appearance of lameness I believe it to be all that it is recommended to be, and would strongly recommend all persons so afflicted to give it a trial.

TO MORE COD LIVER OIL -GRIM. AULT'S SYRUP OF IODIZED HORSERAD-ISH .- Prepared by Grimault & Co., Chemist of Paris, according to the certificates of the physicians of the with the approbation of several Academies, this Syrup is employed with the greatest success, in place of Cod Liver Oil, to which it is infinitely superior. It cures diseases of the chest, scrofula, lymphatic disorders, green sickness, muscular atony, and loss of appotite. It regenerates the constitution by purifying the blood, and is in a word, the most powerful depurative known. It never fatigues the stomach and bowels, like Iodide of Potassium and the Iodide of Iron, and is administered with the greatest efficacy to young children, subject to humours, or obstruction of the glands.-Dr. Cazenave of Saint Louis Hospital, Paris, recommends it particularly in diseases of the skin, to be taken with his Pills mentioned above. This Syrup of Iodised Horseradish is a capital ad-junct to Dr. Lers's Phosphate of Iron. GRIMAULT AND CO'S DIGESTIVE ELIXIB OF PEPSINE — Pepsine is the gastric juice itelf, or rather the active principle purified, which digests food in the stomach. When from various causes, the supply of the digestive fluid is too small, the inevitable consequences are, bad digestion, inflammation of the mucous coats of the stomach and bowels, and in females general derangement. The elizer of pep-sine, sanctioned by the Paris Academy of Medicine, speedily cures all such diseases and provents vomiting during pregnancy and while out sea voyaging. TO MORE OUTWARD REMEDIES FOR DIS-No. 40, Cornhill, BOSTON. EASES OF THE SKIN, BUT ONLY PILLS .-Of Dr. A. Cazenave, Chief Physician of the Hospital Saint Louis, in Paris, Professor of the Faculty of Medicine, Knight of the Legion of Honour, Author of many works on Riogworm, Leprosy, Elephantiasis, or swelled legs, and different other acute and Chronic cutaneous affections. Dr. A. Cazenave, after consecrating his whole life in the Hospital of Saint Louis, in Paris, has at last discovered that the real cause of all dermatoses, or skin diseases, is internal; so he and his medical col-loagues have at once renounced all external remedies, and given the preference to his Pills at 5 Rupees per green glass box, cash. Printed directions accompany each packet. As the SYRUP OF IODIZED HORSE-RADISH is superior to Cod Liver Oil, and is a very powerful depurative, or purifier of the blood, it is strongly recommended by Dr. Cazenave, to facilitate the action of his skin disease Pills, to use the Syrup of Iodized Horseradish with them, which may also be had at 3 Rs. a bottle cash. DB. CAZENAVE'S VEGETABLE PILLS.-Su-perior to all other Pills. A trial would be their best recommendation. Whenever a purgative is required, for bilious and pituitons attacks, these may be safely used, because they cause neither nausea nor colic, and may be taken as digestives at meal, or bed-time. Price 2 Rs. cash per white glass box. CYRUP OF HYPOPHOSPHITE OF LIME -This new remedy, most powerful against rations cease, and the patient soon recovers.
