pertinent for any one congregation to interfere with or pronounce on the mode of worship adopted by any other, but a dangerous infringement of that civil and religious liberty which is alike the birthright and boast of every Englishman.

The December number of the Gentleman's Magazine gives an engraving of a bronze Roman shield, circular in shape, which was lately hooked by a fisherman from the bottom of the Thames, between Hampton and Walton, where it probably had lain for a little more than eighteen centuries.

M. duChailu, of gorilla fame, has returned to England, and has made his appearance at a meeting of the Geographical Society. He confirms all that has been said on his former visit as to the habits of the gorilla, and the kindness with which he was generally treated by the Africans.

EVERY SOLDIER SHOULD HAVE THEM.—From R. B. Heintzelman, Second 72nd Reg., P. V. "Your medicinal preparation (Brown's Bronchical Troches) is certainly valuable to soldiers in the field, and I feel satisfied, if generally adopted at the hospitals, many sleepless nights of the weary soldier would be averted.

AN OLD AND WELL TRIED REMEDY.—Mrs. Winslow's Soothing Syrup for children teething has stood the test of thirty years. Millions of mothers can testify that it is reliable and perfectly safe in all cases.

HIGHLY IMPORTANT! Let the Afflicted read, and Know of the Astounding Efficacy of the Great Humor Remedy!

HOWARD'S VEGETABLE CANCER AND CANCER SYRUP,

Surpasses in efficacy, and is destined to to Supercede, all other known remedies in the treatment of those Diseases for which it is recommended.

It has cured CANCERS after the patients have been given up as incurable by many physicians. It has cured CANCER in its worst forms, in hundreds of cases.

It has always cured SALT RHEUM when a trial has been given it, a disease that every one knows is exceedingly troublesome, and difficult to cure. ERYSIPELAS always yields to its power, as many who have experienced its benefits do testify.

It has cured SCROFULA in hundreds of cases many of them of the most aggravated character. It cures KING'S EVIL.

It has cured many cases of SCALD HEAD. TUMORS have been removed by it in repeated instances in which their removal has been pronounced impossible except by a surgical operation.

ULCERS of the most malignant type have been healed by its use. It has cured many cases of NURSING SORE MOUTH when all other remedies have failed to benefit.

FEVER SORES of the worst kind have been cured by it. SCURVY has been cured by it in every case in which it has been used, and they are many.

It removes WHITE SWELLING with a certainty no other medicine has. It speedily removes from the face all BLOTCHES, PIMPLES, &c., which though hot very painful, perhaps, are extremely unpleasant to have.

It has been used in EVERY KIND OF HUMOR, and never fails to benefit the patient. NEURALGIA, in its most distressing forms, has been cured by it when no other remedy could be found to meet the case.

It has cured JAUNDICE in many severe cases. It has proved very efficacious in the treatment of PILES, an extremely painful disease. DYSPEPSIA, which is often caused by humor has been cured by it in numerous instances.

In FEMALE WEAKNESSES, IRREGULARITIES and disease peculiar to that sex, it has been found a most potent remedy.

In cases of GENERAL DEBILITY, from whatever cause, the Syrup can be relied upon as a most efficient aid. It is a most certain cure for RICKETS, a disease common to children.

Its efficacy in an disease originating in a depraved state of the blood or other fluids of the body is unsurpassed. Its effects upon the system are truly astonishing and almost beyond belief to one who has not witnessed them.

This Syrup will as certainly cure the disease from which it is recommended, as a trial is given it, and the cure will be permanent, as it, by its wonderfully searching power, entirely eradicates the disease from the system.

The afflicted have only to try it, to become convinced of what we say in regard to it, and to find relief from their sufferings. JAMES O. BOYLE & Co. (Successors to Redding & Co.)
