CHILDREN TEETHING

MRS. WINSLOW.

An experienced Nurse and Female Physician, presents to the attention of mothers, her

SOOTHING SYRUP.

For Children Teething. which greatly facilitates the process of teething; by softening the gums, reducing all inflammation—will ALLAY ALL PAIN and spasmodic action, and is

SURE TO REGULATE THE BOWELS.

Depend upon it, mothers, it will give rest to yourselves, and RELIEF & HEALTH TO YOUR INFANTS.

We have put up and sold this article for over thirty years, and CAN SAY, IN CONFIDENCE AND TRUTH of it, what we have never been able to say of any other medicine—NEVER HAD IT FAILED, IN A SINGLE INSTANCE, TO EFFECT A CURE, when timely used. Never did we know an instance of dissatisfaction by any one who used it. On the contrary, all are delighted with its operations, and speak in terms of highest commendation of its magical effects and medical virtues. We speak in this matter "WHAT WE DO KNOW," after thirty years' experience, and PLEDGE OUR REPUTATION FOR THE FULFILLMENT OF WHAT WE HERE DECLARE. In almost every instance where the infant is suffering from pain and exhaustion, relief will be found in fifteen or twenty minutes after the syrup is administered.

This valuable preparation is the prescription of one of the most EXPERIENCED and SKILFUL NURSES in New England, and has been used with never failing success in

Thousands of Cases.

It not only relieves the child from pain but invigorates the stomach and bowels, corrects acidity, and gives tone and energy to the whole system: It will almost instantly relieve

SWELLING IN THE BOWELS, AND WIND COLIC.

and overcome convulsions, which, if not speedily remedied, end in death. We believe it the most SURE REMEDY IN THE WORLD, in all cases of DYSENTERY AND DIARRHOEA IN CHILDREN, whether it arises from teething, or from any other cause. We would say to every mother who has a child suffering from any of the foregoing complaints—do not let your precious babe, nor the precious moments, stand between your suffering child and the relief that will be SURE—yes, ABSOLUTELY SURE—to follow the use of this medicine, if timely used. Full directions for using will accompany each bottle. Beware of cheap imitations of the face of CURTIS & PERKINS, New York, on the outside wrapper.

Sold by Druggists throughout the world; and by the Principal Office, No. 45, South Street, New York.

Price, only 55 Cents per Bottle. Aug. 16. 1 yr.

The Young Reaper

For 1866 will be published Semi-monthly.

It is published at Philadelphia, at 75 cents a year, for single copies. The Editor states that "The Engravings will not only be profuse but of the finest character. And six of the best writers for children are engaged as regular contributors for its columns."

As this is the periodical for Youth, published by the Baptist Publication Society, we are willing to supply it to our friends at the following rates:— Single copies every other week . . . \$0.50 a year. Three copies, do. . . 1.00 " Seven copies, do. . . 2.00 " Fifteen copies, do. . . 4.00 " Any number of copies at the same rates.

This charge barely pays for the freight of parcels and the expenses of mailing and postage, but rather than have our young friends deprived of their paper, we are willing to supply it to them, when paid for strictly in advance.

MASON & HAMLIN'S CABINET ORGANS

May be obtained at the Halifax Agency 56 Granville Street, at lower rates than in Boston, exclusive of Duty. No CHARGE FOR FREIGHT FROM BOSTON.

As an instrument for smaller churches, Sunday schools, Day schools, Temperance Halls, Division Rooms, lodges and similar uses, the Cabinet Organ stands confessedly without a rival. For all sacred music and the accompaniment of voices, its power of sustaining tones gives it great advantages over the piano, while in those general points which constitute excellence in instruments of its class, it has received the almost universal preference of the best judges.

No instrument is more easily played or less likely to get out of order. The bellows are operated more conveniently than that of the melodeon; and the swells move readily and naturally under the control of the performer, while the manipulation of the keys is exactly similar.

A Four Stop Cabinet Organ suitable for a Church.

With Two Sets of Reeds, and One Octave of Sub Bass Reeds; Four stops, Octave Coupler, Automatic Swell, Combination Valves, Double Bellows, Swell Pedal.

This is a new style, just introduced. Novel features are the Octave Coupler (giving the power of the instrument), and the introduction of an octave of Sub Bass reeds, which are operated by the manual. Probably this instrument has a greater amount of musical power than any other which can be afforded at its price. It will unquestionably be very popular. It has a good deal of variety, and might appropriately be called "The Little Giant." The stops are Dulciana, Flute, Octave Coupler, and Sub-Bass. S. SELDEN, Agent.

The Christian Messenger

Is published every Wednesday, and will be sent to any address in the City or elsewhere on payment of Two Dollars a year in advance. If payment is delayed over three months, \$2.25; if over six months, \$2.50. Any arrears must be inserted at the usual rates.

STEPHEN SELDEN, Proprietor. Office No. 169 Granville Street, Halifax, N. S.

Printing in general done at the Messenger Office with neatness and despatch.
