Miss Soley, 5 years a Cripple, made to Walk and Rejoice by ROGERS & Co.'s WONDERFUL MEDICINE.

NORTH RIVER, Onslow, May 1st,. 1866.

MESSRS. ROGERS & Co.:-About five years ago, my left knee began to swell and feel weak, and, at the same time, my health began to fail. I went to a Doctor and he wanted to perform an operation on my knee, but I would not consent to it. He then advised blistering, which I tried, but it did not help me any. I then tried a great many remedies advised by neighbors and friends, but I kept getting worse. I used British Oil but it did not have the least effect on my knee. I took a few bottles of Kennedy's Discovery and a few bottles Ayer's Sarsaparilla. Both of them seemed to help me a little at first, but after a while they did no good. At last an ulcer broke out on my cheek. Then my father took me to another Doctor and he doctored me for some time. He cured the ulcer, but he did not help my knee. Soon after that, I began to use your Medicines I had not taken them long until I began to get better, and I have been getting better

ever since, and am now well. GEORGIANNA SOLEY. This Lady writes us that she has not walked en her leg for five years.
