PERRY DAVIS'S VEGETABLE PAIN KILLER,

The Great Family Medicine of the Age.

TAKEN INTERNALLY, CURES

Sudden Colds, Coughs, &c., Weak Stomachs, General Debility, Nursing Sore Mouth, Canker, Liver Complaint, Dyspepsia or Indigestion, Cramp and Pain in the Stomach, Bowel Complaint, Painter's Colic, Asiatic Cholera, Diarrhea and Dysentery.

TAKEN EXTERNALLY, CURES

Felons, Boils, and old Sores, Severe Burns and Scalds, Cuts, Bruises and Sprains, Swelling of the Joints, Ringworm and Tetter, Broken Breasts, Frosted Feet and Chilblains, Toothache, Pain in the Face, Neuralgia and Rheumatism.

The PAIN KILLER is by universal consent allowed to have won for itself a reputation unsurpassed in the history of medical preparations. Its instantaneous effect in the entire eradication and extinction of PAIN in all its various forms incidental to the human family, and the unsolicited written and verbal testimony of the masses in its favor, have been, and are its own best advertisements.

The ingredients which enter into the PAIN KILLER, being purely VEGETABLE, render it a perfectly SAFE and efficacious remedy taken internally, as well as for external applications, when used according to directions. The stain upon linen from its use is readily removed by washing with a little alcohol.

This medicine is justly celebrated for the cure of so many of the afflictions incident to the human family, has now been before the public over TWENTY YEARS, and has found its way into almost every corner of the world; and wherever it has been used, the same opinion is expressed of its medical properties.

In any attack where prompt action upon the system is required, the Pain Killer is invaluable. Its almost instantaneous effect in RELIEVING PAIN is truly wonderful; and when used according to directions, is true to its name, a PAIN KILLER.

It is, in truth, a FAMILY MEDICINE, and should be kept in every family for immediate use. Persons travelling should always have a bottle of this remedy with them. It is not unfrequently the case when persons are attacked with disease, and before medical aid can be procured, the patient is beyond the hope of recovery. It has been used in SEVERE CASES OF THE CHOLERA, and never has failed in a single case, where it was thoroughly applied on the first appearance of the symptoms.

Pain Killer, taken internally, should be adulterated with milk or water, and sweetened with sugar if desired, or made into a syrup with molasses. For a COUGH, a few drops on sugar eaten, will be more effective than anything else. For SORE THROAT, gargle the throat with a mixture of Pain Killer and water, and the relief is immediate and cure positive.

It should not be forgotten that the Pain Killer is equally as good to take internally as to use externally. Each bottle is wrapped with full directions for its use. PLEASE READ THE PRINTED DIRECTIONS.

Dr. HAMLIN'S HAND BAG FOR CHOLERA.

CONTAINING all the articles recommended by Dr. Hamlin, a well known Missionary residing at Constantinople, and possessing large experience in treatment of Cholera. In the Bag are full directions how to proceed in treating an attack, till the Physician arrives—a point of much importance, for as Dr. Hamlin remarks, on the approach of Cholera every family should be prepared to treat it, without waiting for a Physician. It does its work so expeditiously, that while you are waiting for a Doctor, it is done.

The Bag thus fitted out and locked, should be hung up in such a position, that on the slightest alarm it may be at hand. The public will see the immense advantage it will be to each family to possess in compact form and easy of access, the remedies which have been proved most efficacious with such directions as have in other land saved thousands of lives.

Sold by GEO. JOHNSON, Druggist, 4 wths. 148 Hollis Street. May 2.

Prepare for the Worst by getting a Bottle of

LANGLEY'S CORDIAL RHUBARB, OR ANTI-CHOLERA COMPOUND.

In the present age of humbug it is hard for a genuine preparation, however good it may be, to escape the open or the covert sneer, and the muttered condemnatory word "QUACK," that many preparations—thoroughly deserving on account of their utter worthlessness.

LANGLEY'S CORDIAL RHUBARB has however managed not only to escape censure, but also to obtain high praise. This it has done simply by being what it purports to be,

A RELIABLE MEDICINE for a specified complaint. It does not propose to cure a dozen different diseases of most opposite natures, but confines itself with great modesty to one particular class of diseases, viz: those arising from a DISORDERED STATE OF THE STOMACH AND BOWELS.

This Cordial is therefore good for Diarrhea, Dysentery and Cholera. It has been used with great success in the

EAST INDIES, having been introduced there by officers at one time stationed in this garrison. Lately it has found its way to the

COAST OF AFRICA, and is there fast becoming esteemed for its curative powers as a specific for Asiatic Cholera. Each bottle has around it a copy of the "Recommendations of the Royal College of Physicians on the subject of Cholera,"—of itself worth the price of the bottle. Price 50c. a bottle. Liberal discount to dealers.

Prepared by GEORGE JOHNSON, 148 Hollis Street, Halifax, N. S.

And sold by all Druggists. March 14. 3m.

A Slight Cold, Cough, Hoarseness, or Sore Throat, which might be checked with a simple remedy, if neglected, often terminates seriously. Few are aware of the importance of stopping a Cough or Slight Cold in its first stage; that which in the beginning would yield to a mild remedy, if not attended to, soon attacks the lungs.

Brown's Bronchial Troches were first introduced eleven years ago. It has been proved that they are the best article before the public for Coughs, Colds, Bronchitis, Asthma, Catarrh, the Hoarse Cough in Consumption, and numerous affections of the Throat, giving immediate relief.

Public Speakers and Singers, will find them effectual for clearing and strengthening the voice.

Sold by all Druggists and Dealers in Medicine, at 25 cents per box. Aug. 16. 1 yr.
