Let the Afflicted read, and Know of the Astounding Efficacy of the Great Humor Remedy! HOWARD'S VEGETABLE CANCER AND CANKER SYRUP.

Surpasses in efficacy, and is destined to to Supercede, all other known remedies in the treatment of those Diseases for which it is recommended.

It has cured CANCERS after the patients have been given up as incurable by many physicians. It has cured CANKER in its worst forms, in hundreds of cases.

It has always cured SALT RHEUM when a trial has been given it, a disease that every one knows is exceedingly troublesome, and difficult to cure. ERYSIPELAS always yields to its power, as many who have experienced its benefits do testify.

It has cured SCROFULA in hundreds of cases many of them of the most aggravated character. It cures KING'S EVIL. It has cured many cases of SCALD HEAD. TUMORS have been removed by it in repeated instances in which their removal has been pronounced impossible except by a surgical operation.

ULCERS of the most malignant type have been healed by its use. It has cured many cases of NURSING SORE MOUTH when all other remedies have failed to benefit. FEVER SORES of the worst kind have been cured by it.

SCURVY has been cured by it in every case in which it has been used, and they are many. It removes WHITE SWELLING with a certainty no other medicine has. It speedily removes from the face all BLOTCHES, PIMPLES, &c., which though not very painful, perhaps, are extremely unpleasant to have.

It has been used in EVERY KIND OF HUMOR, and never fails to benefit the patient. NEURALGIA, in its most distressing forms, has been cured by it when no other remedy could be found to meet the case. It has cured JAUNDICE in many severe cases. It has proved very efficacious in the treatment of PILES, an extremely painful disease.

DYSPEPSIA, which is often caused by humor has been cured by it in numerous instances. In FEMALE WEAKNESSES, IRREGULARITIES and disease peculiar to that sex, it has been found a most potent remedy. In cases of GENERAL DEBILITY, from whatever cause, the Syrup can be relied upon as a most efficient aid.

It is a most certain cure for RICKETS, a disease common to children. Its efficacy in all disease originating in a depraved state of the blood or other fluids of the body is unsurpassed. Its effects upon the system are truly astonishing and almost beyond belief to one who has not witnessed them. This Syrup will as certainly cure the diseases from which it is recommended, as a trial is given it, and the cure will be permanent, as it, by its wonderfully searching power, entirely eradicates the disease from the system. The afflicted have only to try it to become convinced of what we say in regard to it; and to find relief from their sufferings. Price \$1 per Bottle-or \$5 for Six Bottles. JAMES O. BOYLE & Co. (Successors to Redding & Co.) 8 STATE STREET, BOSTON. Proprietors, to whom all orders should be addressed, and by all Dealers in Patent Medicines. Cogswell & Forsyth and T. A Slight Cold, Cough, Hoarseness, or Sore Throat, which might be checked with a simple remedy, if neglected, often terminates seriously. Few are aware of the importance of stopping a Cough or Slight Cold in its first stage; that which in the beginning would yield to a mild remedy, if not attended to, soon attacks the lungs.

Brown's Bronchial Troches were first introduced eleven years ago. It has been proved that they are the best article before the public for Coughs, Colds, Bronchitis, Asthma, Catarrh, the Hoarse Cough in Consumption, and numerous affections of the Throat, giving immediate relief.

Public Speakers and Singers, will find them effectual for clearing and strengthening the voice. Sold by all Druggists and Dealers in Medicine, at 25 cents per box. Aug. 16. 1 yr.

MASON & HAMLIN'S CABINET ORGANS May be obtained at the Halifax Agency 59 Granville Street, at lower rates than in Boston, exclusive of Duty.

No CHARGE FOR FREIGHT FROM BOSTON. As an instrument for smaller churches, Sunday schools, Day schools, Temperance Halls, Division Rooms, lodges and similar uses, the Cabinet Organ stands confessedly without a rival. For all sacred music and the accompaniment of voices, its power of sustaining tones gives it great advantages over the piano, while, in those general points which constitute excellence in instruments of its class, it has received the almost universal preference of the best judges.

No instrument is more easily played or less likely to get out of order. The bellows are operated more conveniently than that of the melodeon; and the swell is more readily and naturally under the control of the performer, while the manipulation of the keys is exactly similar.

ON HAND, A Four Stop Cabinet Organ suitable for a Church: With Two Sets of Reeds, and One Octave of Sub-Bass Reeds, Four stops, Octave Coupler, Automatic Swell, Combination Valves, Double Bellows, Swell Pedal.

This is a new style, just introduced. Novel features are the Octave Coupler (doubling the power of the instrument), and the introduction of an octave of Sub Bass reeds, which are operated by the manual. Probably this instrument has a greater amount of musical power than any other which can be afforded at its price. It will unquestionably be very popular. It has a good deal of variety, and might appropriately be called "The Little Giant" The stops are Dulciana, Flute, Octave Coupler, and Sub-Bass. S. SELDEN, Agent.
