FOR COUGHS, COLDS, &c., Use Davis' Pain Killer.

A Slight Cold, Cough, Hoarseness, or Sore Throat, which might be checked with a simple remedy, if neglected, often terminates seriously. Few are aware of the importance of stopping a Cough or Slight Cold in its first stage; that which in the beginning would yield to a mild remedy, if not attended to, soon attacks the lungs.

Brown's Bronchial Troches were first introduced eleven years ago. It has been proved that they are the best article before the public for Coughs, Colds, Bronchitis, Asthma, Catarrh, the Hoarse Cough in Consumption, and numerous affections of the Throat, giving immediate relief.

Public Speakers and Singers, will find them effectual for clearing and strengthening the voice.

Sold by all Druggists and Dealers in Medicine, at 25 cents per box. Aug 16. 1 yr.

YOUR TOOTH ACHE? Davis' Pain Killer will cure it.

MRS. WINSLOW,

An experienced Nurse and Female Physician, presents to the attention of mothers, her SOOTHING SYRUP, For Children Teething,

which greatly facilitates the process of teething, by softening the gums, reducing all inflammation—it will allay ALL PAIN and spasmodic action, and is SURE TO REGULATE THE BOWELS,

Depend upon it, mothers, it will give rest to yourselves, and RELIEF & HEALTH TO YOUR INFANTS.

We have put up and sold this article for over thirty years, and CAN SAY, IN CONFIDENCE AND TRUTH of it, what we have never been able to say of any other medicine—NEVER HAS IT FAILED, IN A SINGLE INSTANCE, TO EFFECT A CURE, when timely used. Never did we know an instance of dissatisfaction by any one who used it. On the contrary, all are delighted with its operations, and speak in terms of highest commendation of its magical effects and medical virtues. We speak in this matter "WHAT WE DO KNOW," after thirty years' experience, AND PLEDGE OUR REPUTATION FOR THE FULFILLMENT OF WHAT WE HERE DECLARE. In almost every instance where the infant is suffering from pain and exhaustion, relief will be found in fifteen or twenty minutes after the syrup is administered.

This valuable preparation is the prescription of one of the most EXPERIENCED and SKILLFUL NURSES in New England, and has been used with NEVER FAILING SUCCESS IN

Thousands of Cases. It not only relieves the child from pain but invigorates the stomach and bowels, corrects acidity, and gives tone and energy to the whole system. It will almost instantly relieve GRIPING IN THE BOWELS, AND WIND COLIC,

and overcomes convulsions, which, if not speedily remedied, end in death. We believe it the BEST AND SUREST REMEDY IN THE WORLD, in all cases of DYSSENTERY AND DIARRHOEA IN CHILDREN, whether it arises from teething or from any other cause. We would say to every mother who has a child suffering from any of the foregoing complaints—DO NOT LET YOUR PREJUDICES, NOR THE PREJUDICES OF OTHERS, stand between your suffering child and the relief that will be SURE—yes, ABSOLUTELY SURE—to follow the use of this medicine, if timely used. Full directions for using will accompany each bottle. None genuine unless the fac-simile of CURTIS & PERKINS, New York, is on the outside wrapper.

Sold by Druggists throughout the world Principal Office, No. 25 Dey Street, N. Y. Price, only 35 Cents per Bottle. Aug. 16. 1 yr.
