HIGHLY IMPORTANT!

Let the Afflicted read, and Know of the Astounding Efficacy of the Great Humor Remedy!

HOWARD'S VEGETABLE CANCER AND CANKER SYRUP,

Surpasses in efficacy, and is destined to to Supercede, all other known remedies in the treatment of those Diseases for which it is recommended.

It has cured CANCERS after the patients have been given up as incurable by many physicians. It has cured CANKER in its worst forms, in hundreds of cases.

It has always cured SALT RHEUM when a trial has been given it, a disease that every one knows is exceedingly troublesome, and difficult to cure.

ERYSIPELAS always yields to its power, as many who have experienced its benefits do testify. It has cured SCROFULA in hundreds of cases many of them of the most aggravated character.

It cures KING'S EVIL. It has cured many cases of SCALD HEAD. TUMORS have been removed by it in repeated instances in which their removal has been pronounced impossible except by a surgical operation.

ULCERS of the most malignant type have been healed by its use. It has cured many cases of NURSING SORE MOUTH when all other remedies have failed to benefit.

FEVER SORES of the worst kind have been cured by it. SCURVY has been cured by it in every case in which it has been used, and they are many.

It removes WHITE SWELLING with a certainty no other medicine has.

It speedily removes from the face all BLOTCHES, PIMPLES, &c., which though no very painful, perhaps, are extremely unpleasant to have.

It has been used in EVERY KIND OF HUMOR, and never fails to benefit the patient.

NEURALGIA, in its most distressing forms, has been cured by it when no other remedy could be found to meet the case.

It has cured JAUNDICE in many severe cases. It has proved very efficacious in the treatment of PILES, an extremely painful disease.

DYSPEPSIA, which is often caused by humor has been cured by it in numerous instances.

IN FEMALE WEAKNESSES, IRREGULARITIES and disease peculiar to that sex, it has been found a most potent remedy.

In case of GENERAL DEBILITY, from what ever cause, the Syrup can be relied upon as a most efficient aid.

It is a most certain cure for RICKETS, a disease common to children.

Its efficacy in all disease originating in a depraved state of the blood or other fluids of the body is unsurpassed.

Its effects upon the system are truly astonishing and almost beyond belief to one who has not witnessed them.

This Syrup will as certainly cure the diseases from which it is recommended as a trial is given it, and the cure will be permanent, as it, by its wonderfully searching power, entirely eradicates the disease from the system.

The afflicted have only to try it to become convinced of what we say in regard to it, and to find relief from their sufferings.

Price \$1 per Bottle—or \$5 for Six Bottles. JAMES O. BOYLE & Co., (Successors to Redding & Co.) 8 STATE STREET, BOSTON, Proprietors, to whom all orders should be addressed—and by all Dealers in Patent Medicines. Cogswell & Forsyth and T. Durney, Agents for Halifax.

PROCLAMATION.

By His Excellency Sir William Fenwick Williams, Of Karr, Baronet, Lieutenant General in Her Majesty's Army, Knight Commander of the Most Honorable Order of the Bath; Grand Officer Legion d'Honneur; 1st Class of the Turkish Order of Medjidie, &c.; Lieutenant Governor and Commander-in-Chief, in and over Her Majesty's Province of Nova Scotia and its Dependencies, &c.; &c.

W. F. WILLIAMS.

WHEREAS, for the prevention of Cholera and other infectious disease, strict Sanitary and Quarantine laws are absolutely necessary; I do therefore, by the advice of Her Majesty's Executive Council of this Province, hereby order and direct,

- 1st. That when a vessel shall arrive at any Port of this Province, the Captain shall report to the Pilot or Revenue Officer, all cases of sickness of whatever kind, other than ordinary sea-sickness, that may be on board.
2nd. That the Revenue Officer, or Pilot, shall send notice thereof to the Health Officer of the Port, or should there be no such Officer, to any other duly qualified Medical Practitioner of the place.
3rd. That the captain, if need be, shall provide a boat and men to convey such notice, and bring back such Medical Officer or Practitioner, to examine the case or cases of sickness on board.
4th. That the Health Officer thus notified shall go on board, and having examined the cases of sickness on board, shall use such means as are necessary and proper for their recovery.
5th. In any case where the Health Officer of the Port shall consider it necessary he shall have power to order any vessel into such Quarantine Station as may have been established for that purpose, and to determine how long she shall remain in Quarantine.
6th. In case the Health Officer shall find the vessel in a filthy condition, or over crowded, or that there is danger of disease spreading on board, he shall cause the sick to be taken on shore, and the vessel to be thoroughly cleansed; and in every such case the Captain, Agents, or Owners of the vessel, shall be held responsible for all the necessary expenses incurred in cleansing the vessel or providing suitable apartments for the sick, for their removal thereto, and their treatment thereon, or any incidental expenses connected therewith.
7th. In case of the existence of any contagious or infectious disease, on board any Vessel arriving in Port, the Health Officer is hereby authorized to take such measures for the protection of the Passengers and Crew on board, as also the community on shore, as are prescribed in the several regulations in Chap 54, sections 8 and 9, of Revised Statutes of Nova Scotia.
8th. That for the services thus rendered, the Health Officer shall be entitled to charge a reasonable sum, to be paid by the Captain or Agents of the Vessel on behalf of the owner.
9th. That no vessel, subject by these sanitary regulations to be examined, shall be admitted to entry, until a certificate of such examination, signed by the Health Officer, shall be exhibited; nor shall such vessel be admitted to entry or clearance until all the fees and charges authorized by these sanitary orders have been paid, as directed in Chapter 54, section 3, of the Revised Statutes of Nova Scotia.
10th. In case of dispute in respect to such charges, such dispute, where the bill of charges does not exceed twenty pounds, shall be determined summarily before any two Justices of the Peace as to the amount which is reasonable, according to the accustomed rate of charge within the place, for distance and for attendance on patients of the like condition and class in life.
11th. That the Table of Fees payable to Health Officers, in all Parts of the Province, shall be as follows:—
For visiting all vessels above 100 tons burden liable to be examined... \$3 00
Of and under 100 tons... 1 50
Certificate of Release... 1 00
N. B.—In all the Ports in this Province except Halifax, each Health Officer shall be entitled to demand, in addition to the fees above prescribed, ten cents currency for every mile of distance from the residence of the Health Officer to the vessel required to be visited, if the distance shall exceed two miles.
For visiting Vessels having Emigrants, or 10 Steerage Passengers... \$5 00
Inspecting Passengers... 2 00
Certificate of Release... 1 00
Subsequent visits required by sickness or otherwise... 3 00
The following Quarantine shall be enforced for the Port of Halifax:—
1. All vessels shall come to inside of Meagher's Beach, and remain there until boarded by the Health Officer of the Port. Vessels arriving at night shall fire a gun, and hoist two vertical lights at the fore-mast head.
2. It shall be the duty of the Medical Officer to board every vessel, day or night; to examine the log book, and, if necessary, to put the captain or others on board under oath as to any cases of disease that may have occurred during the voyage, and whether she is from an infected Port.
3. Vessels from disease, and not coming from an infected Port, shall be admitted to Pratique immediately.
4. Any vessel coming from an infected Port, on board of which no case of disease has occurred, and having been out fourteen days or more, shall be admitted to Pratique; and if under that time, shall be detained in Quarantine until fourteen days have elapsed since the commencement of the voyage.
5. An infected vessel, that is—a vessel in which disease existed during the voyage, shall be immediately placed in Quarantine; and the crew and passengers (if any) be removed to the establishment provided for that purpose.
6. All infected vessels shall be thoroughly fumigated, and all clothing, or such articles as the Health Officer may deem necessary, shall be destroyed, or subjected to proper purification.
7. Crews, passengers, and vessels shall be relieved from Quarantine at the discretion of the Health Officers only.
8. No person shall be permitted to communicate with a ship when in Quarantine, or with the Quarantine Station, except upon the written permission of the Health Officer.
9. Any Pilot having been on board an infected ship shall be subject to the order of the Health Officer, and shall not communicate with the shore without his permission.

The foregoing Regulations are applicable to vessels bound to this Port; but, in all cases, when infected vessels put into this Port, the Governor in Council may order them at once to leave the Port, or take such measure consistent with humanity as may be required to prevent the introduction or spread of infection.

All Pilots and Revenue Officers shall observe, keep, and carry with them copies of these Sanitary and Quarantine Regulations and Instructions thereon. Any violation or disobedience of any of the orders hereby made shall be deemed a misdemeanor, and shall subject the person guilty thereof to a penalty not exceeding Five hundred Pounds.

Given under my hand and Seal at Arms, at Halifax, this Ninth day of April in the Twentieth year of Her Majesty's Reign, A. D. 1866. By His Excellency's command, April 18. 4 ins. CHARLES TUPPER.
