Teeth Extracted by the Use of Nitrous Oxide Gas.

WE take pleasure in announcing to our friends and the public that we are now prepared to extract TEETH by the use of Nitrous Oxide Gas. By this process we are enabled to extract Teeth without the slightest pain or inconvenience to the patient.

Anesthesia, by Nitrous Oxide, acts as a healthy stimulant, unattended like other stimulants, by subsequent depression. By superoxidizing the blood it gives to the patient a vigor for resisting the exhausting effects of the operation. Ether and Chloroform on the contrary, deoxidize the blood, and acts as a sedative to depress rather than elevate the tone of the system.

ROGERS & CO'S MEDICINES, Messrs. Rogers & Co.—Gentlemen—In reference to the case of ERETHISMA OF THE LIP, in which I used your Ointment, I beg to say that the patient entirely recovered and has continued well ever since. I have also used the Medicine in some cases of obstinate skin disease with much benefit. I believe it to be a valuable remedy in many otherwise intractable cases. H. H. READ, M. D. Stormont, Guysboro, 17th April, 1866.

Messrs. Rogers & Co.—Gentlemen—Your medicine has made another wonderful cure. Thos. Cooper, Esq., of Loonahor Lake, (Store-keeper) got some for his wife who had been affected with Scrofula for seven years, and nothing she got from the Doctors did her any good. Mr. Cooper says her face was in a dreadful state with running sores, and is now well; as he expressed it: "It made a total cure of her." Yours truly, S. F. MILWARD, J. P. May 30.

Dr. KNIGHTS' ORIENTAL HAIR RESTORER

Is the only preparation in use which invariably CHANGES GRAY AND FADED HAIR TO ITS ORIGINAL COLOR. Its effects are so UNIFORM AND SPEEDY, it is to be regarded almost MIRACULOUS.

It gives UNIVERSAL SATISFACTION, a single trial proving its superiority over all other articles offered to the public under similar names. LIEUT. E. G. WHITE, writes from Eastport, Me April 17, 1866: "Though but twenty-six years of age, my hair had become quite gray, when, at the suggestion of Dr. Carpenter, I gave your Oriental Hair Restorer a trial. In TEN DAYS from the first application my hair was dark and soft as in childhood. I believe no other preparation can boast of such remarkable effects."

REV. EDWARD ORR, writing from Alexandria, Va February 5, 1866, says: "I am too old to regret that the frosts of Winter should glint perpetually in my hair, but to gratify my daughter, I have used your Oriental Hair Restorer, and with the happiest results. My hair which two weeks since was white as silver is COMPLETELY RESTORED TO THE COLOR AND TEXTURE OF FORTY YEARS AGO. In my daughter's behalf, I thank you heartily."

Column might be filled with testimonials like the above, but their publication is not considered necessary. In the preparation of the Oriental Hair Restorer, the most costly material is used, and no pains are spared to make it an article which shall STAND THE TEST OF ALL TIME.

The verdict of the people is in its favor. Knights' Oriental Hair Restorer IS PREPARED BY E. E. KNIGHTS, M. D., Chemist, Melrose, Mass., And sold by all Druggists, Perfumers, Fancy Goods Dealers and Merchants generally, at ONE DOLLAR Per Bottle.

A LUXURANT GROWTH WILL RESULT.
