BEAVER RIVER, N. S.

Having a gathering coming on my hand which I supposed to be a Felon, I suffered, very severely, from pain for four days and nights, I poulticed it with every thing nameable, and used every thing that I could think of to relieve the pain, and nothing seemed to have any affect whatever. One of my neighbors advised me to use MRB. JACKSON'S Golden Liniment, which I did, and in twenty-four hours my hand was well enough to perform a days labour, I have used it in a great many instances and found it to be a valuable article. Try for yourselves and you will find the Gold Liniment just what it is recommended, excellent for Sere Throat, Headache, Toothache, Inflammation, it is excellent.

The PAIN KILLER is by universal consent allowed to have won for itself a reputation unsurpassed in the history of medical preparations. Its instantaneous effect in the entire eradication and extinction of Pain in all its various forms incidental to the human family, and the unsolicited written and verbal testi-

mony of the masses in its favor, have been, and are its own best advertisements.

The ingredients which enter into the PAIN KILLER, being purely VEGETABLE, render it a perfectly SAFE, and efficacious remaily taken internally, as well as for external applications, when used according to directions. The stain upon linen from its use is readily removed by weathing with a little alcohol.

This medicine is justly celebrated for the cure of so, many of the afflictions incident to the human. family, has now been before the public over TWENTY YEARS, and has found its way into almost every corner.

of the world; and wherever it has been used, the same opinion is expressed of its medical properties.

In any attack where prompt action upon the system is required, the Pain Killer is invaluable. Its almost instantaneous effect in BELIEVING PAIN is truly wonderful; and when used according to directions, is true to its name, a PAIN KILLER.

It is, n truth, a FAMILY MEDICINE, and should be kept in every family for immediate use. Persons travelling should always have a bottle of this remedy with them. It is not unfrequently the case when persons are attacked with disease, and before medical aid can be procured, the patient is beyond the hope of recovery. It has been used in SEVERE CASES OF THE CHOLERA, and never has failed in a single case, where it was thoroughly applied on the first appearance of the symptoms.

Pain Killer, taken internally, should be adulterated with milk or water, and sweetened with sugar if

desired, or made into a sgrup with molasses. For a COUGH, a few drops on sugar eaten, will be more effective than any hing else. For SORE THROAT, gargle the threat with a mixture of Pain Killer and water, and the relief is immediate and cure positive.

It should not be forgotton that the Pain Killer is equally as good to take internally as to use externally. Each bettle is wrapped with full directions for its use. PLEASE READ THE PRINTED DIRECTIONS w role on re cood-notice & cash

In that liquid purity and smoothness of tone by which the M. & H. Cabinet Organs are distinguished and for which they have become so celebrated, the Portable Organs cannot claim to be fully equal to them. The necessity for adopting different and smaller cases and scales renders the attainment of this impossible. Yet it is confidently believed that in qual ity of tones the Portable Organs approach nearer to the M. & H. Cabinet Organs than do any other reed instruments. RELIEF & HEALTH TO YOUR INFANTS. We have put up and sold this article for over thirty years, and can say, in confidence and trute of it, what we have never been able to say of any other medicine—NEVER HAS IT FAILED, IN A SINGLE INSTANCE, TO REFECT A CURE, when timely used. Never did we know an instance of dissatisfaction by any one who used it. On the contrary, all are delighted with its operations, and speak in terms of highest commendation on its magical effects and medical virtues. We speak in this matter " WHAT WE DO KNOW," after thirty years' experience, AND PLEDGE OUR REPUTATION FOR THE PULFILMENT OF WHAT WE HERE DECLARE. In almost every instance where the infant is suffering from pain and exhaus
