Satisfactory security will be required for the due It is certainly a matter of surprise that the U. S. Government have not acted with more decision, and almost warrants the belief that they are not averse to see Great Britain embarrassed and put to expense. Whether they are willing to involve the two countries in a wicked and destructive war, which, whatever harm it may inflict on us, would assuredly aid in doubling their own immense national debt, to say nothing of the destruction of life and property that must ensue, is another question. They feel confident in recommending class, and you will be convinced that for size and the course they have pursued in regard to it. In winking at such an organization as that of the Fenians, within the bounds of their own territories, they are undoubtedly fostering a spirit which may one day re-act upon themselves. It is as yet uncertain how the Canadian Government will deal with the Fenian prisoners taken at Erie. That condign punishment ought to be inflicted on the leading pirates is not a matter of doubt. Their objects were robbery and murder, the last of which crimes they have succeeded in committing. There can be no valid reason for distinguishing their case from that of other murderers.

DR. KNIGHT'S HAIR DRESSING 28

A dressing for Children's Hair, which can be used without fear of injury to its growth or texture, has hitherto been unattainable. Most, if not all, of the Hair Dressing heretofore sold at the drug stores are composed chiefly of oil and alcohol-ingredients which are antagonistic to the life of the hair. KNIGHT'S Hair Dressing contains neither oil nor alcohol, is purely vegetable in his composition, and is the most perfect hair renewever and invigorator that has ever been made available to the public. Persons whose hair has been thinned by sickness or age should give this preparation a trial, with the assurance that a luxu ious growth of hair will result unless the roots are dead, when such an effect is impossible.

KNIGHT'S HAIR DRESSING

is an elegant preparation, exquisitely perfumed, inclines the hair to curl, will not soil the skin or any other article of apparel, and is fast superceding the pernicious articles which have so long deceived a credulous public.
