RABBITS FOR THE SOUTH SEA ISLANDS .-The missionary ship John Williams recently paid us a visit; and, while lying at the Sandridge railway Pier, was visited by nearly all the Sunday-school children in Melbourne and vicinity. A number of rabbits have been placed on boards the vessel to be turned loose on the different South Sea Islands she may visit.—Melbourne Letter.

VICTORIA FAMILY SEWING MACHINE.

The Most Complete and PERFECT MACHINE ever offered to the Public.

The only reliable CHEAP MA-CHINE in the World.

Our NEW IMPROVED FAMILY SEWING MACHINE is unrivalled for certainty of STICH and BEAUTY OF WORK.

The Greatest Wonder of the Age! We challenge the World to produce its equal.

Price Only \$15.00! Unsurpassed for certainty of Stitch! For Reliabilty, Ease, Quietness of Movement,

and Real Worth, it has no EQUAL.

N presenting our new "Victoria Family Sewing Machine" to the public, we do so Saturday, 29th.—Brigts L. W. Eaton, McNally, with the utmost confidence in its practical utility. Cape Breton; Sarah, Mundy, F. W. Indies; schrs. Being adapted to a very wide range of purposes for Swan, Kelly, B. W. Indies; Osceola, Sulis, St John, general Family Sewing, it is considered, by competent N. B.; Highlander, White, Margaree; Laura, Le- judges, the most simple, effective and reliable Machine Blanc, Petit de Grat; R. Noble, Ormiston, Sydney: yet introduced, making the celebrated Lock Stitch. It will sew the finest muslins, cambrics and silks, also cottons, woclens and cloths with equal facility. By its use the tedious and laborious work of a family is rendered a pleasu e and a greeable pastime. If the price of our Machines were \$25 or \$30, they would still be cheap compared to the high-priced \$75 Machine, who give ours the preference from the fact of its simplicity of construction, ease of management, and beauty of stitch; being managed by a child of twelve years just as well as by an older person.

Every Machine is perfect, and used with care is WARRANTED FOR THREE YEARS. This is better than is the schr Heber, of Pubnico. The names of the all the testimonials and references we can produce.

> ADVANTAGES OF THIS EXCELLENT FAMILY MACHINE: If you buy the Victoria you have a certainty. It is less liable to get out of order, and is so simple and perfect in its mechanism that a few minutes instruc-

THE FOLLOWING ARE AMONG THE MANY

tion will enable any person to become master of it. The needle is more rapidly adjusted in the Victoria than in any other Machine, being very simple. It runs quietly and sews rapidly. The most inexperi-

encod persons find no difficulty in using it. It will sew alike on all kinds of material, from the finest linen bosom to the coarsest woolen fabric; and every kind of sewing silk and thread, from the finest silk to the coarsest cotton and linen, can be used.

We warrant it to sew as handsome, fine and tight a seam, and equal to any of the high-priced machines. It is impossible for this Machine to drop a stitch with the Patent Looper, therefore it can be relied upon in all kinds of sewing, while all other cheap Machines are liable to skip or DROP stitches, wherever the work is uneven, or where it is necessary to run one seam across another. For Milliners, Dress or Cleak makers, it is unrivallen.

It makes no difference which way the machine is turned, BACKWARD or FORWARD, it is all the same. It makes a seam which will not rip or rival though every fourth stitch be cut; and it will hem, bind, tuck, fell, quilt and embroider in the most superior

With these advantages we place it fearlessly before the public as the only reliable cheap Machine in the world; in full assurance that its manifold merits must make themselves manifest to a discriminating eye. Orders by Mail otherwise, will meet with prompt attention—addressed to

NTO MORE COD LIVER OIL -GRIM-AULT'S SYRUP OF IODIZED HORSERAD-18H .- Prepared by Grimault & Co., Chemist of Paris, according to the certificates of the physicians of the Paris hospitals, detailed in the printed directions, and with the approbation of several Academies, this Syrup is employed with the greatest success, in place of Cod Liver Oil, to which it is infinitely superior. It cures diseases of the chest, scrofula, lymphatic disorders, green sickness, muscular atony, and loss of appetite. It regenerates the constitution by purifying the blood, and is in a word, the most powerful depurative known. It never fatigues the stomach and bowels, like Iodide of Potassium and the Iodide of Iron, and is administered with the greatest efficacy to young children, subject to humours, or obstruction of the glands .- Dr. Casenave of Saint Louis Hospital, Paris, recommends it particularly in diseases of the skin, to be taken with his Pills mentioned above. This Syrup of Iodised Horseradish is a capital adjunct to Dr. Lera's Paosphate of Iron:

RIMAULT AND CO'S DIGESTIVE ELIXIR OF PEPSINE.—Pepsine is the gastric juice itelf. ir rather the active principle purified, which digests food in the stomach. When from various causes, the supply of the digestive fluid is too small, the inevitable consequences are, bad digestion, inflammation of the mucous coats of the stomach and bowels, and in females general derangement. The clixer of pepsine, sanctioned by the Paris Academy of Medicine, speedily cures all such diseases and prevents vomiting during pregnancy and while out sea voyaging.

TO MORE OUTWARD REMEDIES FOR DIS-EASES OF THE SKIN, BUT ONLY PILLS -Of Dr. A. Cazenave, Chief Physician of the Hospit. I Saint Louis, in Paris, Professor of the Faculty of Medicine, Knight of the Legion of Honour, Author of many works on Ringworm, Leprosy, Elephantiasis, or swelled legs, and different other acute and Chronic cutaneous a dections.

Dr. A. Cazenave, after consecrating his whole life in the Hospital of Saint Louis, in Paris, has at last discovered that the real cause of all dermatoses, or skin diseases, is internal; so he and his medical colleagues have at once renounced all external remedies. and given the preference to his Pills at 5 Rupees per green glass box, cash. Printed directions accompany each packet. As the SYRUP OF IODIZED HORSE-RADISH is superior to Cod Liver Oil, and is a very powerful depurative, or purifier of the blood, it is strongly recommended by Dr. Cazenave, to facilitate the action of his skin disease Pills, to use the Syrup of Iodised Horseradish with them, which may also be had at 3 Rs. a bottle cash,

TOR. CAZENAVE'S VEGETABLE PILLS .- Superior to all other Pills. A trial would be their best recommendation. Whenever a purgative is required, for bilious and pituitous attacks, these may be safely used, because they cause neither hauses nor colic, and may be taken as digestives at meal, or bed-time. Price 2 Rs cash per white glass box.

SYRUP OF HYPOPHOSPHITE OF LIME.

-This new remedy, most powerful against Phthisis, (Consumption) and the different diseases of the chest, stops quickly their most alarming symptoms. The cough is calmed by it, the nightly perspirations cease, and the patient soon recovers.

The above preparations are from the Pharmacy of GRIMAULT & Co., Chemists, Paris.
