TO MORE COD LIVER OIL.—GRIM AULT'S STRUP OF IODIZED HORSERAD ISH .- Prepared by Grimault & Co., Chemist of Paris, according to the certificates of the physicians of the Paris hospitals, detailed in the printed directions, and with the approbation of several Academies, this Syrup is employed with the greatest success, in place of Cod Liver Oil, to which it is infinitely superior. It cures diseases of the chest, scrofula, lymphatic disorders, green sickness, muscular atony, and loss of appetite. It regenerates the constitution by purifying the blood, and is in a word, the most powerful depurative known. It never fatigues the stomach and bowels, like Iodide of Potassium and the Iodide of Iron, and is administered with the greatest efficacy to young children, subject to humours, or obstruction of the glands.—Dr. Cazenave of Saint Louis Hospital, Paris, recommends it particularly in diseases of the skin, to be taken with his Pills mentioned above. This Syrup of Iodised Horseradish is a capital adjunct to Dr. Lera's Phosphate of Iron.

RIMAULT AND Co'S DIGESTIVE ELIXIB OF PEPSINE.—Pepsine is the gastric juice itelf, or rather the active principle purified, which digests food in the stomach. When from various causes, the supply of the digestive fluid is too small, the in evitable consequences are, bad digestion, inflammation of the mucous coats of the stomach and bowels, and in females general derangement. The clizer of pepsine, sanctioned by the Paris Academy of Medicine, speedily cures all such diseases and prevents vomiting during pregnancy and while out sea voyaging.

TO MORE OUTWARD REMEDIES FOR DIS-EASES OF THE SKIN, BUT ONLY PILLS .-Of Dr. A. Cazenave, Chief Physician of the Hospital Saint Louis, in Paris, Professor of the Faculty of Medicine, Knight of the Legion of Honour, Author of many works on Ringworm, Leprosy, Elephantiasis, or swelled legs, and different other acute and Chronic

cutaneous affections. Dr. A. Cazenave, after consecrating his whole life in the Hospital of Saint Louis, in Paris, has at last discovered that the real cause of all dermatoses, or skin diseases, is internal; so he and his medical colleagues have at once renounced all external remedies, and given the preference to his Pills at 5 Rupees per green glass box, cash. Printed directions accompany each packet. As the SYRUP OF IODIZED HORSE-RADISH is superior to Cod Liver Oil, and is a very powerful depurative, or purifier of the blood, it is strongly recommended by Dr. Cazenave, to facilitate the action of his skin disease Pills, to use the Syrup of Iodized Horseradish with them, which may also be had at 3 Rs. a bottle cash.

DR. CAZENAVE'S VEGETABLE PILLS.—Superior to all other Pills. A trial would be their best recommendation. Whenever a purgative is required, for bilious and pituitous attacks, these may be safely used, because they cause neither nausea nor colic, and may be taken as digestives at meal, or bed time. Price 2 Rs. cash per white glass box.

CYRUP OF HYPOPHOSPHITE OF LIME. This new remedy, most powerful against Phthisis, (Consumption) and the different diseases of the chest, stops quickly their most alarming symptoms. The cough is calmed by it, the nightly perspirations cease, and the patient soon recovers.

The above preparations are from the Pharmacy of GRIMAULT & Co., CHEMISTS, PARIS.

PERRY DAVIS'S VEGETABLE PAIN KILLER.

The Great Family Medicine of the Age. TAKEN LATERNALLY, CURES

Sudden Colds, Coughs, &c., Weak Stomachs, General Debility, Nursing Sore Mouth, Canker, Liver Complaint, Dyspepsia or Indigestion, Cramp and Pain in the Stomach, Bowel Complaint, Painter's Colic, Asiatic Cholera, Diarrhoa and Dysentery.

TAKEN EXTERNALLY, CURES

Felons, Boils, and old Sores, Severe Burns and Scalds, Cuts, Bruises and Sprains, Swelling of the Joints, Ringworm and Tetter, Broken Breasts, Frosted Feet and Chilblains, Toothache, Pain in the Face, Neuralgia and Rheumatism.

The PAIN KILLER is by universal consent allowed to have won for itself a reputation unsurpassed in the history of medical preparations. Its instantaneous effect in the entire eradication and extinction of PAIN in all its various forms incidental to the human family, and the unsolicited written and verbal testimony of the masses in its favor, have been, and are its own best advertisements.

The ingredients which enter into the Pain-Killer, being purely Vegetable, render it a perfectly sate and efficacious remedy taken internally, as well as for external applications, when used according to directions. The stain upon linen from its use is readily removed by washing with a little alcohol.

This medicine is justly celebrated for the cure of so many of the afflictions incident to the human family, has now been before the public over twenty years, and has found its way into almost every corner of the world; and wherever it has been used, the same opinion is expressed of its medical properties.

In any attack where prompt action upon the system is required, the Pain Killer is invaluable. Its

almost instantaneous effect in RELIEVING PAIN is truly wonderful; and when used according to directions, is true to its name, a PAIN KILLER.

It is, n truth, a FAMILY MEDICINE, and should be kept in every family for immediate use. Persons travelling should always have a bottle of this remedy with them. It is not unfrequently the case when persons are attacked with disease, and before medical aid can be procured, the patient is beyond the hope of recovery. It has been used in Severe Cases of the Cholera, and never has failed in a single case, where

it was thoroughly applied on the first appearance of the symptoms.

Pain Killer, taken internally, should be adulterated with milk or water, and sweetened with sugar if desired, or made into a syrup with molasses. For a COUGH, a few drops on sugar eaten, will be more effective than anything else. For SORE THROAT, gargle the throat with a mixture of Pain Killer and water, and the relief is immediate and cure positive.

It should not be forgotton that the Pain Killer is equally as good to take internally as to use externally. Each bottle is wrapped with full directions for its use. PLEASE READ THE PRINTED DIRECTIONS.
