Teeth Extracted by the Use of Nitrous Oxide Gas.

WE take pleasure in announcing to our friends and the public that we are now prepared to extract TEETH by the use of Nitrous Oxide Gas. By this process we are enabled to extract Teeth without the slightest pain or inconvenience to the patient.

Anesthesia, by Nitrous Oxide, acts as a healthy stimulant, unattended like other stimulants, by subsequent depression. By superoxidizing the blood it gives to the patient a vigor for resisting the exhausting effects of the operation. Ether and Chloroform on the contrary, deoxidize the blood, and acts as redivatives to depress rather than elevate the tone of the system.

\$15. VICTORIA \$15. FAMILY SEWING MACHINE.

The Most Complete and PERFECT MACHINE ever offered to the Public.

The only reliable CHEAP MACHINE in the World.

Our NEW IMPROVED FAMILY SEWING MACHINE is unrivalled for certainty of STITCH and BEAUTY of WORK.

The Greatest Wonder of the Age!

We challenge the World to produce its equal.

Price Only \$15.00!

UNSURPASSED FOR CERTAINTY OF STITCH! For Reliability, Ease, Quietness of Movement, and Real Worth, it has no EQUAL.

IN presenting our new "Victoria Family Sewing Machine" to the public, we do so with the utmost confidence in its practical utility. Being adapted to a very wide range of purposes for general Family Sewing, it is considered, by competent judges, the most simple, effective and reliable Machine yet introduced, making the celebrated Lock Stitch. It will sew the finest muslins, cambrics and silks, also cottons, woollens and cloths with equal facility. By its use the tedious and laborious work of a family is rendered a pleasure and a agreeable pastime. If the price of our Machines were \$25 or \$30, they would still be cheap compared to the high-priced \$75 Machine, who give ours the preference from the fact of its simplicity of construction, ease of management, and beauty of stitch; being managed by a child of twelve years just as well as by an older person. Every Machine is perfect, and used with care is WARRANTED FOR THREE YEARS. This is better than all the testimonials and references we can produce.

THE FOLLOWING ARE AMONG THE MANY ADVANTAGES OF THIS EXCELLENT FAMILY MACHINE:

If you buy the Victoria you have a certainty. It is less liable to get out of order, and is so simple and perfect in its mechanism that a few minutes instruction will enable any person to become master of it.

The needle is more rapidly adjusted in the Victoria than in any other Machine, being very simple. It runs quietly and sews rapidly. The most inexperienced persons find no difficulty in using it.

It will sew alike on all kinds of material, from the finest linen bosom to the coarsest woolen fabric; and every kind of sewing silk and thread, from the finest silk to the coarsest cotton and linen, can be used.

We warrant it to sew as handsome, fine and tight a seam, and equal to any of the high-priced machines.

It is impossible for this Machine to drop a stitch with the Patent Loper, therefore it can be relied upon in all kinds of sewing, while all other cheap Machines are liable to skip or drop stitches, wherever the work is uneven, or where it is necessary to run one seam across another. For Milliners, Dress or Cloak makers, it is unrivalled.

It makes no difference which way the machine is turned, BACKWARD or FORWARD, it is all the same. It makes a seam which will not rip or ravel though every fourth stitch be out; and it will hem, bind, tuck, fell, quilt and embroider in the most superior manner.

With these advantages we place it fearlessly before the public as the only reliable cheap Machine in the world; in full assurance that its manifold merits must make themselves manifest to a discerning eye.

Orders by Mail otherwise, will meet with prompt attention—addressed to

AYER'S CHERRY PECTORAL,

FOR THE RAPID CURE OF Coughs, Colds, Influenza, Hoarseness, Group, Bronchitis, Incipient Consumption, and for the relief of Consumptive Patients in advanced stages of the disease.

SO wide is the field of its usefulness and so numerous are its cures, that in almost every section of our country are persons publicly known, who have been restored by it from alarming and even desperate diseases of the lungs. When once tried, its superiority over every other expectorant is too apparent to escape observation, and where its virtues are known, the public no longer hesitate, what antidote to employ for the distressing and dangerous affections of the pulmonary organs incident to our own climate. While many inferior remedies thrust upon the community have failed and been discarded, this has gained friends by every trial, conferred benefits on the afflicted that can never forget, and produced cures too numerous and too remarkable to be forgotten.

We can assure the public, that its quality is carefully kept up to the best it ever has been, and that it may be relied on to do for their relief all that it has ever done.

Great number of Clergymen, Physicians, Statesmen, and other eminent personages, have lent their names to certify the unparalleled usefulness of our remedies, but space here will not permit the insertion of them. The Agents below named furnish gratis our AMERICAN ALMANAC in which they are given; with also full descriptions of the complaints our remedies cure.

Those who require an alterative medicine to purify the blood will find AYER'S COMP. EXT. SASSAPARILLA the one to use. Try it once, and you will concede its value.

Prepared by DR. J. C. AYER & Co., Lowell, Mass., and sold by all Druggists and dealers in medicine everywhere.
