Brown's Bronchial Troches. It has been proved that they are the best article before the public for Croup, Hoarseness, Bronchitis, Asthma, Catarrh, the Hooping Cough in Infants, and numerous affections of the Throat, giving immediate relief. Public Speakers and Singers, will find them essential for clearing and strengthening the voice.

Highly Important!

Let the Afflicted read and Know of the Astounding Efficacy of the Great Humor Remedy! HOWARD'S VEGETABLE CANKER AND CANKER SYRUP. Surpasses in efficacy, and is destined to supersede, all other known remedies in the treatment of those Diseases for which it is recommended.

It has cured CANCERS after the patient has been given up as incurable by many physicians.

It has cured CANCER in its worst forms, in hundreds of cases. It is always cured SALT RHEUM when a trial has been given it, a disease that every one knows is exceedingly troublesome, and difficult to cure. It has cured SCROFULA in hundreds of cases, many of them of the most aggravated character. It cures KING'S EVIL. It has cured many cases of SCALD HEAD. TUMORS have been removed by it in repeated instances in which their removal has been pronounced impossible except by a surgical operation. ULCERS of the most malignant type have been healed by its use. It has cured many cases of NURSING SORE MOUTH when all other remedies have failed to benefit. FEVERSORES of the worst kind have been cured by its use. SCURVY has been cured by it in every case in which it has been used, and they are many. It removes WHITE SWELLING with a certainty no other medicine has. It removes from the face all BLOTCHES, PIMPLES, &c. which though no very painful, perhaps, are extremely unpleasant to have. It has been used in EVERY KIND OF HUMOR, and never failed to benefit the patient. NEURALGIA, in its most distressing forms, has been cured by it when no other remedy could be found to meet the case. It has cured JAUNDICE in many severe cases. It has proved very efficacious in the treatment of PILES, an extremely painful disease. DYSPEPSIA, which is often caused by humor has been cured by it in numerous instances. In FEMALE WEAKNESSES, IRREGULARITIES and disease peculiar to that sex, it has been found to be a most successful remedy. In cases of GENERAL DEBILITY, from whatever cause, the Syrup can be relied upon as a most efficient aid. It is a most certain cure for BICKETS, a disease common to children. Its efficacy in a disease originating in a depraved state of the blood or other fluids of the body is unsurpassed. Its effects upon the system are truly astonishing and almost beyond belief to one who has not witnessed them. This Syrup will as certainly cure the diseases from which it is recommended, as a trial is given it, and the cure will be permanent, as it, by its wonderfully searching power, entirely eradicates the disease from the system. The afflicted have only to try it to become convinced of what we say in regard to it, and to find relief from their sufferings.
