PERRY DAVIS'S VEGETABLE PAIN KILLER,

The Great Family Medicine of the Age.
TAKEN INTERNALLY, CURES

Sudden Colds, Coughs, &c.; Weak Stomachs, General Debility, Nursing Sore Mouth, Canker, Liver Complaint, Dyspepsia or Indigestion, Cramp and Pain in the Stomach, Bowel Complaint, Painter's Colic, Asiatic Cholera, Diarrhoea and Dysentery.

TAKEN EXTERNALLY, CURES

Felons, Boils, and old Sores, Severe Burns and Scalds, Cuts, Bruises and Sprains, Swelling of the Joints, Ringworm and Tetter, Broken Breasts, Frosted Feet and Chilblains, Toothache, Pain in the Face, Neuralgia and Rheumatism.

The PAIN KILLER is by universal consent allowed to have won for itself a reputation unsurpassed in the history of medical preparations. Its instantaneous effect in the entire eradication and extinction of PAIN in all its various forms incidental to the human family, and the unsolicited written and verbal testimony of the masses in its favor, have been, and are its own best advertisements.

The ingredients which enter into the PAIN KILLER, being purely VEGETABLE, render it a perfectly SAFE and efficacious remedy taken internally, as well as for external applications, when used according to directions. The stain upon linen from its use is readily removed by washing with a little alcohol.

This medicine is justly celebrated for the cure of so many of the afflictions incident to the human family, has now been before the public over TWENTY YEARS, and has found its way into almost every corner of the world; and wherever it has been used, the same opinion is expressed of its medicinal properties.

In any attack where prompt action upon the system is required, the Pain Killer is invaluable. Its almost instantaneous effect in RELIEVING PAIN is truly wonderful; and when used according to directions, is true to its name, a PAIN KILLER.

It is, in truth, a FAMILY MEDICINE, and should be kept in every family for immediate use. Persons travelling should always have a bottle of this remedy with them. It is not unfrequently the case when persons are attacked with disease, and before medical aid can be procured, the patient is beyond the hope of recovery. It has been used in SEVERE CASES OF THE CHOLERA, and never has failed in a single case, where it was thoroughly applied on the first appearance of the symptoms.

Pain Killer, taken internally, should be adulterated with milk or water, and sweetened with sugar if desired, or made into a syrup with molasses. For a COUGH, a few drops on sugar eaten, will be more effective than any thing else. For SORE THROAT, gargle the throat with a mixture of Pain Killer and water, and the relief is immediate and cure positive.

It should not be forgotten that the Pain Killer is equally as good to take internally as to use externally. Each bottle is wrapped with full directions for its use. PLEASE READ THE PRINTED DIRECTIONS.

ROGERS & CO.'S MEDICINES.

Messrs. ROGERS & Co.—Gentlemen—In reference to the case of EPITHELIOMA OF THE LIP, in which I used your Ointment, I beg to say that the patient entirely recovered and has continued well ever since. I have also used the Medicine in some cases of obstinate skin disease with much benefit. I believe it to be a valuable remedy in many otherwise intractable cases. H. H. READ, M. D.

Stormont, Guysboro', 17th April, 1866.
Messrs. ROGERS & Co.—Gents—Your medicine has made another wonderful cure. Thos. Cooper, Esq., of Lochaber Lake, (Store-keeper) got some for his wife who had been affected with Scrofula for seven years, and nothing she got from the Doctors did her any good. Mr. Cooper says her face was in a dreadful state with running sores, and is now well; as he expressed it: "It made a total cure of her." Yours truly, S. F. MILWARD, J. P. May 30. 2m.

CHILDREN TEETHING.

MRS. WINSLOW. An experienced Nurse and Female Physician, presents to the attention of mothers, her SOOTHING SYRUP, For Children Teething, which greatly facilitates the process of teething, by softening the gums, reducing all inflammation—will allay ALL PAIN and spasmodic action, and is Sure to Regulate the Bowels.

Depend upon it, mothers, it will give rest to yourselves, and RELIEF AND HEALTH TO YOUR INFANTS. We have put up and sold this article for over thirty years, and CAN SAY, IN CONFIDENCE AND TRUTH OF IT, what we have never been able to say of any other medicine—NEVER HAS IT FAILED, IN A SINGLE INSTANCE, TO EFFECT A CURE, when timely used. Never did we know an instance of dissatisfaction by any one who used it. On the contrary, all are delighted with its operations, and speak in terms of highest commendation of its magical effects and medicinal virtues. We speak in this matter "WHAT WE DO KNOW," a ter thirty years' experience, and PLEDGE OUR REPUTATION FOR THE FULFILLMENT OF WHAT WE HERE DECLARE. In almost every instance where the infant is suffering from pain and exhaustion, relief will be found in fifteen or twenty minutes after the syrup is administered.

This valuable preparation is the prescription of one of the most EXPERIENCED and SKILLFUL NURSES in New England, and has been used with NEVER FAILING SUCCESS IN THOUSANDS OF CASES. It not only relieves the child from pain but invigorates the stomach and bowels, corrects acidity, and gives tone and energy to the whole system. It will almost instantly relieve GRIPING IN THE BOWELS, AND WIND COLIC, and overcome convulsions, which, if not speedily remedied, end in death. We believe it the BEST AND SUREST REMEDY IN THE WORLD, in all cases DYSENTERY AND DIARRHOEA IN CHILDREN, whether it arises from teething, or from any other cause. We would say to every mother who has a child suffering from any of the foregoing complaints—DO NOT LET YOUR PREJUDICES, NOR THE PREJUDICES OF OTHERS, stand between your suffering child and the relief that will be SURE—yes, ABSOLUTELY SURE—to follow the use of this medicine, if timely used. Full directions for using will accompany each bottle. None genuine unless the fac-simile of CURTIS & PERKINS, New York, is on the outside wrapper. Sold by Druggists throughout the world.
