Address,

DAVID CHERBULIEZ, Pelham, Westchester Co., N. Y.

I take great pleasure in recommending to the notice of my friends in Nova Scotia and New Brunswick, the Boys' Boarding School of M. David Cherbuliez, New York.

I know this gentleman as an accomplished and skilful teacher and an excellent disciplinarian. He is a French Protestant, but long resident in this country. For 17 years he has been connected with Pelham Priory, as a Professor, and this is no slight recommendation. This School offers very superior advantages for acquiring a speaking knowledge of the French language.

C. FRED. HART.

PERRY DAVIS'S VEGETABLE PAIN KILLER,

The Great Family Medicine of the Age.

TAKEN INTERNALLY, CURES

Sudden Colds, Coughs, &c., Weak Stomachs, General Debility, Nursing Sore Mouth, Canker, Liver Complaint, Dyspepsia or Indigestion, Cramp and Pain in the Stomach, Bowel Complaint, Painter's Colic, Asiatic Cholera, Diarrhoea and Dysentery.

TAKEN EXTERNALLY, CURES

Felons, Boils, and old Sores, Severe Burns and Scalds, Cuts, Bruises and Sprains, Swelling of the Joints, Ringworm and Tetter, Broken Breasts, Frosted Feet and Chilblains, Toothache, Pain in the Face, Neuralgia and Rheumatism.

The PAIN KILLER is by universal consent allowed to have won for itself a reputation unsurpassed in the history of medical preparations. Its instantaneous effect in the entire eradication and extinction of PAIN in all its various forms incidental to the human family, and the unsolicited written and verbal testimony of the masses in its favor, have been, and are its own best advertisements.

The ingredients which enter into the PAIN KILLER, being purely VEGETABLE, render it a perfectly SAFE and efficacious remedy taken internally, as well as for external applications, when used according to directions. The stain upon linen from its use is readily removed by washing with a little alcohol.

This medicine is justly celebrated for the cure of so many of the afflictions incident to the human family, has now been before the public over TWENTY YEARS, and has found its way into almost every corner of the world; and wherever it has been used, the same opinion is expressed of its medical properties.

In any attack where prompt action upon the system is required, the Pain Killer is invaluable. Its almost instantaneous effect in RELIEVING PAIN is truly wonderful; and when used according to directions, is true to its name, a PAIN KILLER.

It is, in truth, a FAMILY MEDICINE, and should be kept in every family for immediate use. Persons travelling should always have a bottle of this remedy with them. It is not unfrequently the case when persons are attacked with disease, and before medical aid can be procured, the patient is beyond the hope of recovery. It has been used in SEVERAL CASES OF THE CHOLERA, and never has failed in a single case, where it was thoroughly applied on the first appearance of the symptoms.

Pain Killer, taken internally, should be adulterated with milk or water, and sweetened with sugar if desired, or made into a syrup with molasses. For a COUGH, a few drops on sugar eaten, will be more effective than anything else. For SORE THROAT, gargle the throat with a mixture of Pain Killer and water, and the relief is immediate and cure positive.

It should not be forgotten that the Pain Killer is equally as good to take internally as to use externally. Each bottle is wrapped with full directions for its use. PLEASE READ THE PRINTED DIRECTIONS.

Buy none but the Genuine, manufactured by PERRY DAVIS & SON, Providence, R. I.

SOLD EVERYWHERE.

Ayer's Cherry Pectoral

IS a soothing expectorant, prepared to meet the urgent need of a safe and reliable cure for diseases of the throat and lungs. A trial of many years has established the fact, that it is more efficacious in pulmonary affections, than any other remedy. Its efficacy has now become so generally known, that it is justly regarded in many countries as a medicine of indispensable necessity. In Great Britain, France, and Germany, where medical science has reached its highest perfection, it is prescribed in domestic practice, and constantly used in the armies, in hospitals and other public institutions, where it is regarded by the attending physicians as the most speedy and agreeable remedy that can be employed. Scarcely any neighborhood can be found where well known cases of diseased lungs, which had baffled the efforts of the most skillful and experienced doctors, have been permanently cured by it. These results are the most convincing proofs of the superior curative properties of this preparation; and to them the authors point with peculiar satisfaction. While it is most powerful against confirmed diseases, it is extremely gentle as a medicine in infancy and youth, being quite harmless to even the youngest, when administered judiciously.

This health restorer accomplishes even more by prevention than cure. If taken in season, it heals all irritations of the throat and lungs, whether arising from Colds or Coughs, or from other causes, and thus prevent that long train of painful and incurable diseases, which would arise from the neglect of them. Hence no family should be without it. Influenza, Croup, Hoarseness, Whooping Cough, Pleurisy, Incipient Consumption, and other affections of the breathing organs, give way before this pre-eminently combination of medical virtues.

Prepared by Dr. J. C. AYER & Co., Lowell, Mass., and sold by all Druggists and dealers in medicine everywhere. AVERY, BROWN & Co., General Agents for Nova Scotia.

Cancer and Scrofula Remedies.

ROGERS & CO.'S REMEDIES are the best and most reliable of any offered to the public. They will cure Cancers, Tumours, Erysipelas, Scrofula, Salt Rheum, Ringworm, Corns, Warts, and all kindred diseases.

BIG GLACE BAR, September 3, 1866.

Messrs. ROGERS & Co.,

Gentl.—My little boy having for several years been afflicted with running sores in his arms and leg and various remedies been applied without effect, I was induced to try your Scrofula Ointment and Syrup. I accordingly purchased a Box of the Ointment and a Bottle of Syrup, and am happy to state that from using two Boxes and Bottles my boy is now able to go about with hardly any appearance of lameness. I believe it to be all that it is recommended to be, and would strongly recommend all persons so afflicted to give it a trial.

Sept. 26.

I am, Gentlemen, yours truly, FRANCIS LEWIS.

MRS. WINSLOW,

An experienced Nurse and Female Physician, presents to the attention of mothers, her

SOOTHING SYRUP,

For Children Teething,

which greatly facilitates the process of teething, by softening the gums, reducing all inflammation—will allay ALL PAIN and spasmodic action, and is

Sure to Regulate the Bowels.

Depend upon it, mothers, it will give rest to yourselves, and RELIEF AND HEALTH to YOUR INFANTS.

We have put up and sold this article for over thirty years, and CAN SAY, IN CONFIDENCE AND TRUTH of it, what we have never been able to say of any other medicine—NEVER HAS IT FAILED, IN A SINGLE INSTANCE, TO EFFECT A CURE, when timely used. Never did we know an instance of dissatisfaction by any one who used it. On the contrary, all are delighted with its operations, and speak in terms of highest commendation of its magical effects and medical virtues. We speak in this matter "WHAT WE DO KNOW," a ter thirty years' experience, and PLEDGE OUR REPUTATION FOR THE FULFILLMENT OF WHAT WE HERE DECLARE. In almost every instance where the infant is suffering from pain and exhaustion, relief will be found in fifteen or twenty minutes after the syrup is administered.

This valuable preparation is the prescription of one of the most EXPERIENCED and SKILLFUL NURSES in New England, and has been used with NEVER FAILING SUCCESS in

THOUSANDS OF CASES.

It not only relieves the child from pain but invigorates the stomach and bowels, corrects acidity, and gives tone and energy to the whole system. It will almost instantly relieve

GRIPING IN THE BOWELS, AND WIND COLIC,

and overcome convulsions, which, if not speedily remedied, end in death. We believe it the BEST AND SWIFTEST REMEDY in the world, in all cases DYSENTERY AND DIARRHOEA IN CHILDREN, whether it arises from teething, or from any other cause. We would say to every mother who has a child suffering from any of the foregoing complaints—DO NOT LET YOUR PREJUDICES, NOR THE PREJUDICES OF OTHERS, stand between your suffering child and the relief that will be SURE—yes, ABSOLUTELY SURE—to follow the use of this medicine, if timely used. Full directions for using will accompany each bottle. None genuine unless the fac-simile of CURTIS & PERKINS, New York, is on the outside wrapper.

Sold by Druggists throughout the world.

Principal Office, No. 43 Dey Street, N. Y.

Price, only 35 Cents per Bottle.
