AYER'S PILLS. ARE you sick, feeble and complaining? Are you out of order-your system de-

timely use of the right remedy. Take Ayer's Pills, and drive out the humors—purify the blood, and let the fluids move on unobstructedly, in health. They stimulate the organs of the body into vigorous activity, purify the system from the obstructions which make disease. A cold settles somewhere in the body. disease. A cold settles somewhere inthe body, and deranges the natural operations of that part. This, if not relieved will react upon itself and the surrounding organs, producing general aggravation, suffering and derangement. While in this condition, take Ayer's Pills, and see how directly they restore the natural action of the system, and withit the buoyant feeling of health. What is true and so apparent in this trivial and common complaint is also tru kin many of the deep seated and dangerous diseases. The same purgative expels them. Caused by similar obstructions and derangements, they are surely, and many of them rapidly, cured by the same means. None who know the virtue of these Pills will neglect to employ them when suffering from the disorders they cure, such as Hendache, Foul Stomach, Dysentery, Bilious Complaints, Indigestion, Derangement of the Liver, Costiveness, Constipation, Heartburn, Rheumatism, Dropsy, Worms, and Suppression N. B., it is the most popular cough medicine when taken in large doses.

They are sugar coated, so that the most sensitive can take them easily, and they are surely the best purgative medicine yet discovered.

AYER'S AGUE CURE

For the speedy and certain Curs of Intermittent Fever or Chills and Fever, Remittent eFever, Chill Fever Dumb Ague, Periodical Headach or Bi ious Headache, and B tious Fevers; indeed, for s whole class, of diseases originating in biliary decangement, caused by the malaria of miasmatic countries.

This remedy has rarely failed to cure the severest cases of Chills and Faver, and it has this great advantage over other Ague medicines, that it subdues from falling out, and acids to a lively, luxurian, the complaint without injury to the patient. It congrowth, except in cases of long standing baldtains no quinine or other deleterious substance, nor does it produce quinism or any injurious effect whatever.
